

Henry Quick Detach Butt Stock Takedown Screws - Henry Butt Stock Takedown Screw (black)

[Rifle Parts](#) > [Stock Parts](#)

The Henry Centerfire Lever-action Quick Takedown Screw offers an inexpensive way to quickly and easily shorten your lever-action rifle, making it easier to store, pack, and transport. This is a universal replacement screw for the buttstock of Henry Lever-action rifles, fitting most lever-action calibers/models; it does NOT fit the 22 caliber models.

Specifically designed to work with any coin you might find in your pocket to quickly unscrew and remove your buttstock.

Two finish options:

Chromoly Steel with Black Nitride coating

Polished Stainless Steel

Henry Quick Detach Butt Stock Takedown Screws

Safety Instruction Guide

Introduction

Thank you for purchasing the Henry Quick Detach Butt Stock Takedown Screws. This product is designed to enhance the versatility and portability of your Henry Leveraction rifle. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the firearm is unloaded before attempting to install or remove the buttstock.
- Inspect the takedown screw for any signs of damage or wear before each use.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in this guide.
- In case of any malfunction or unusual behavior, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include accidental discharge of the firearm during installation or removal.
- Improper installation may lead to instability of the buttstock, affecting accuracy and safety.

- **Avoiding Hazards:**

- Always handle firearms in a safe manner, treating every firearm as if it were loaded.
- Use the appropriate tool (a coin) to ensure a secure grip while unscrewing or screwing the takedown screw.
- Do not attempt to force the screw if it does not turn easily; seek professional assistance if needed.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. **Preparation:**

- Ensure that your rifle is completely unloaded.
- Gather the necessary tools, including a coin for unscrewing the takedown screw.

2. **Installation:**

- Locate the buttstock of your Henry Leveraction rifle.
- Using the coin, carefully unscrew the existing takedown screw. Turn counterclockwise until the screw is fully removed.
- Take the new Henry Quick Detach Butt Stock Takedown Screw and align it with the screw hole.
- Using the coin, turn the screw clockwise until it is securely tightened. Do not overtighten.

3. **Usage:**

- The takedown screw allows for quick and easy removal of the buttstock. To remove, simply reverse the installation process.
- Always check that the buttstock is securely attached before using the rifle.

4. PostInstallation Check:

- After installation, conduct a thorough inspection to ensure that the buttstock is stable and secure.
- Test the functionality of the rifle in a safe environment before regular use.

Disposal Instructions

- Dispose of any damaged or wornout screws and components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling where possible.

Contact Information for Further Support

For any questions or concerns regarding the Henry Quick Detach Butt Stock Takedown Screws, please refer to the manufacturer's contact information provided with your product. Always ensure that you have access to a qualified professional for assistance with firearmrelated inquiries.

Thank you for following these safety instructions and for being a responsible firearm owner. Enjoy your shooting experience with the enhanced portability of your Henry Leveraction rifle!
