

# Marlin Butt Stock Takedown Screw (stainless)

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

A good takedown rifle may perhaps be one of the greatest tools in your arsenal of survival gear: It provides personal defense, the ability to hunt and take meat, it's compact and typically lightweight, and it conceals when not in use.

Marlin Quick Detach Butt Stock Takedown Screw, giving you an inexpensive way to quickly and easily shorten your Marlin lever-action making it easier to store, pack, and transport.

This is a Universal Marlin butt stock screw replacement which fits all lever-action calibers / models (336 in .30-30 and .35 Rem; Marlin 308 and 338; Marlin 410, Marlin 444; Marlin 1894 .357 Mag, .44 Mag, .45 Long Colt; Marlin 1895.45-70 govt.; Marlin 450M.)

Specifically designed to work with any coin you might find in your pocket to quickly unscrew and remove your butt stock.

Two finish options:

- Chromoly Steel with Black Nitride coating
- Polished Stainless Steel

# Marlin Butt Stock Takedown Screw Safety Instructions

## Introduction

Thank you for choosing the Marlin Butt Stock Takedown Screw. This product is designed to enhance the functionality of your Marlin leveraction rifle while providing a compact and lightweight solution for storage and transport. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the firearm is unloaded before installing or removing the butt stock takedown screw.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the takedown screw for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the specified tools and methods for installation and removal.
- Avoid using excessive force when tightening or loosening the takedown screw to prevent damage.
- Ensure that the takedown screw is securely fastened before using the firearm.
- Do not attempt to modify or alter the takedown screw in any way.
- Be aware of your surroundings and ensure that the area is safe when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a coin or similar object for unscrewing.

### 2. Installation:

- Locate the existing butt stock screw on your Marlin leveraction rifle.
- Use the coin to unscrew the old butt stock screw carefully.
- Align the new Marlin Butt Stock Takedown Screw with the screw hole.
- Use the coin to tighten the takedown screw until it is secure but do not overtighten.

### 3. Usage:

- When you need to shorten your rifle for storage or transport, simply use the coin to unscrew the takedown screw.
- Store the screw in a safe place when not in use to avoid losing it.
- Always ensure the firearm is unloaded before performing any takedown procedures.

## Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Marlin Butt Stock Takedown Screw, please refer to the manufacturer's contact information provided with your purchase. Ensure that you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Marlin Butt Stock Takedown Screw. Thank you for your attention to safety!
