

Buy Marlin Smith & Wesson Cross Bolt Safety Delete Plug - Marlin Smith and Wesson 1854 Safety Delete (silver)

[Rifle Parts](#) > [Receiver Parts](#)

Replaces the manual cross-bolt safety in Marlin lever-action rifles, providing a clean, streamlined look without any protruding safety button. Ideal for Marlin JM, Remington, and Ruger models (.410, .45-70, .30-30, .35 Rem, .444, .450M, .44 Mag, .45 Colt, .357 Mag, .360 Buckhammer) as well as Smith and Wesson 1854 lever-action rifles.

Compatibility:

Fits Marlin lever-action rifles and Smith and Wesson 1854

Not compatible with the new Rossi 95 models

Features:

Safety Upgrade: Removes the manual safety while retaining all three passive safety features: firing pin safety, trigger safety, and the hammer half-cock position

Material: Precision-machined from high-quality 416 stainless steel with a black nitride finish for durability and corrosion resistance

Includes: Safety delete plug and detent ball (in case the original ball is lost during installation)

Safety Instruction Guide for Marlin Smith & Wesson Cross Bolt Safety Delete Plug

Introduction

Thank you for purchasing the Marlin Smith & Wesson Cross Bolt Safety Delete Plug. This product is designed to replace the manual crossbolt safety in Marlin leveraction rifles, providing a streamlined look without protruding safety buttons. This guide outlines essential safety instructions, installation procedures, and general consumer safety guidelines to ensure safe use of this product.

General Safety Guidelines

- Ensure that all firearms are handled with care and stored safely when not in use.
- Always follow the manufacturer's instructions for your specific firearm model.
- Be aware of your surroundings and ensure the firearm is pointed in a safe direction at all times.
- Regularly inspect your firearm and its components for wear or damage.
- Report any unsafe products or accidents to relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This product is designed for use with Marlin leveraction rifles and Smith & Wesson 1854 rifles only.
- Do not attempt to install this product on Rossi 95 models, as it is not compatible.
- Ensure the firearm is unloaded before installation.
- Retain all three passive safety features: firing pin safety, trigger safety, and hammer halfcock position.
- Keep this product out of reach of children and vulnerable individuals.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and any other required tools.

2. Removing the Old Safety:

- Locate the manual crossbolt safety on your rifle.
- Carefully remove the old safety following the manufacturer's instructions.

3. Installing the Safety Delete Plug:

- Take the Marlin Smith & Wesson Cross Bolt Safety Delete Plug and align it with the safety slot.
- Insert the safety delete plug into the slot firmly but gently.
- Use the detent ball included in the package to secure the plug in place. If the original ball is lost, the included detent ball can be used.

4. Final Checks:

- Ensure that the safety delete plug is securely installed and that all components are intact.
- Conduct a functional check of the rifle to ensure all safety features are working correctly.

5. Usage:

- Once installed, the manual safety will be removed, but the passive safety features will remain

active.

- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the safety delete plug or any firearm components, follow local laws regarding hazardous waste disposal.

Contact Information for Further Support

For further assistance or safety inquiries regarding the Marlin Smith & Wesson Cross Bolt Safety Delete Plug, please refer to the manufacturer's website or contact their customer service directly.

Thank you for your attention to these safety guidelines. Enjoy using your Marlin Smith & Wesson Cross Bolt Safety Delete Plug safely and responsibly.
