# Marlin Lever Quick Takedown 45 Colt (Steel) Safety Instructions

## Introduction

Thank you for purchasing the Marlin Lever Quick Takedown 45 Colt (Steel) Ranger Point Store Marlin 45 Colt Lever Takedown Screws (Stainless). This product is designed to enhance your shooting experience by allowing for quick lever removal, making cleaning and modifications easier. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using this product.
- Ensure that all tools and accessories are in good condition before use.
- Keep this product and all related tools out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay updated on safety recalls and product alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the recommended screws for the Marlin Lever Quick Takedown 45 Colt.
- Ensure that the firearm is unloaded before attempting to install or remove the lever.
- Use appropriate tools for installation to prevent slipping and potential injury.
- Always wear safety glasses when working with firearms and tools.
- Do not attempt to modify the screws or any part of the product.
- Be cautious of sharp edges or points when handling the screws.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a suitable wrench for the hex head screws.

### 2. Installation

- Locate the factory lever screws on your Marlin Lever Action Rifle.
- Using the appropriate wrench, carefully remove the factory screws.
- Take the Ranger Point Store Marlin 45 Colt Lever Takedown Screws (Stainless) and align them with the screw holes.
- Handtighten the screws to ensure proper alignment.
- Use the wrench to securely tighten the screws, ensuring they are snug but not overtightened.

### 3. Usage

- To remove the lever for cleaning or modifications, simply reverse the installation process.
- Ensure that the screws are fully tightened before using the firearm.
- Always check the screws for tightness after extensive use or before each shooting session.

## Disposal Instructions

- Dispose of any damaged or worn screws in accordance with local regulations.
- Do not dispose of screws in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For further support regarding safety inquiries or product information, please contact the manufacturer directly. Ensure to have your product details ready for assistance.

Thank you for following these safety instructions. Enjoy your shooting experience with the Marlin Lever Quick Takedown 45 Colt (Steel)!
