Marlin Lever Quick Takedown Screw Safety Instruction Guide

Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw for your .45 Colt Marlin leveraction rifle. This guide provides essential safety instructions and usage information to ensure the safe operation and maintenance of your product. Please read this manual carefully before use to understand the safety precautions and proper handling of the screw.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attempting to install or remove the takedown screw.
- Use the takedown screw only with compatible Marlin leveraction rifles, excluding the Marlin 39A.
- Avoid using excessive force when installing or removing the screw to prevent damage.
- Make sure the Oring is properly seated to prevent loosening during operation.
- Always wear protective eyewear when working on firearms to guard against debris.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is pointed in a safe direction and is completely unloaded.
- Gather necessary tools, including a screwdriver compatible with the screw head.

2. Installation:

- Locate the takedown screw on your Marlin leveraction rifle.
- Align the takedown screw with the threaded hole.
- Insert the screw and turn it clockwise until it is snug. Do not overtighten.
- Ensure the Oring is properly seated around the screw to prevent loosening.

3. Removal:

- Again, ensure the firearm is unloaded and pointed in a safe direction.
- Turn the screw counterclockwise using the screwdriver until it is completely removed.
- Store the screw in a safe place when not in use.

4. Maintenance:

- Periodically check the screw for wear or damage.
- Clean the screw and the threaded hole to ensure proper function.
- If the Oring shows signs of wear, replace it promptly to maintain a secure fit.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs that accept metal parts.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries regarding the Marlin Lever Quick Takedown Screw, please reach out to your local retailer or manufacturer. It is important to have an EU-based contact for safety inquiries to ensure compliance with the EU General Product Safety Regulation.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
