

Henry Mil Spec Compass Lever Screw Tool Less Quick Takedown - Henry Mil-Spec Compass Lever Takedown Screw (black)

[Rifle Parts](#) > [Stock Parts](#)

The Military Special Forces Solid Brass Survival Compass is paired with a Steel Quick Takedown Lever Screw for added functionality.

Fits: Compatible with all Marlin and Henry lever guns (not compatible with Rossi, Winchester, Chiappa, or Mossberg rifles).

Construction:

CNC Machined Aluminum Lever Screw: Features a hard, scratch-free black nitride coating. Compass Function: Embedded compass provides accurate readings but requires removing the lever screw from the rifle due to its magnetic nature. Our Military Special Forces Solid Brass Survival Compass Lever Takedown Screw is designed for backpackers and survival enthusiasts. It combines the functionality of a mil-spec compass with the convenience of a lever screw for easy access.

NO IMAGE
AVAILABLE

The oversized quick takedown screws allow for effortless lever removal, facilitating thorough cleaning and enabling the swapping of standard levers for larger loop levers suitable for gloved hands or cowboy action shooting. The lever screw replaces the original factory screw without any alterations required.

Military Special Forces Solid Brass Survival Compass epoxy embedded into a lever takedown screw. Lever Takedown Screw made of black hard-anodized aluminum. Marlin proprietary thread pitch .210-28 or Henry 10-32 thread pitch (not compatible with Rossi, Winchester, or Mossberg rifles). Due to the magnetic nature of the compass function, removing the lever screw from the rifle is necessary for an accurate reading.

Safety Instruction Guide for Henry Mil Spec Compass Lever Screw Tool Less Quick Takedown

Introduction

Thank you for choosing the Henry Mil Spec Compass Lever Screw Tool Less Quick Takedown. This product is designed for backpackers and survival enthusiasts, combining the functionality of a military specification compass with a convenient lever screw. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use. Always follow the instructions provided to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If identified as unsafe, you will be provided with remedies free of charge.
- **Online Shopping:** Whether purchased online or in a physical store, this product meets the same safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is kept out of their reach.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Be aware that updates on unsafe products can be accessed via the EU Safety Gate system.

Specific Safety Precautions for Use

- **Magnetic Nature:** The embedded compass requires removal of the lever screw from the rifle for accurate readings. Handle with care to avoid misplacement.
- **Compatibility:** This product is compatible with all Marlin and Henry lever guns. It is not compatible with Rossi, Winchester, Chiappa, or Mossberg rifles.
- **Handling the Lever Screw:** The lever screw is made of black hardanodized aluminum. Avoid exposing it to harsh chemicals or extreme conditions that may compromise its integrity.
- **Maintenance:** Regularly check for wear or damage. Replace the lever screw if any signs of deterioration are observed.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the original factory screw carefully.
- Align the new lever screw with the appropriate thread pitch (Marlin proprietary thread pitch .21028 or Henry 1032).
- Tighten the lever screw securely, ensuring it is fastened but not overtightened to avoid damage.

2. Usage:

- To use the compass function, remove the lever screw from the rifle.
- Take readings away from magnetic sources to ensure accuracy.
- After using the compass, reattach the lever screw securely to the rifle.

3. Cleaning:

- Clean the lever screw with a soft, dry cloth to maintain its finish.
- Avoid using abrasive materials that could scratch the surface.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste. Check for designated disposal sites or recycling centers.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the designated EU contact point for assistance.

Thank you for prioritizing safety while using the Henry Mil Spec Compass Lever Screw Tool Less Quick Takedown. Your adherence to these guidelines ensures a safe and enjoyable experience.
