Henry Lever Rifle Peep Sight Safety Instructions

Introduction

Thank you for choosing the Henry Lever Rifle Peep Sight. This product is designed for precision aiming and optimal performance. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm and accessories as if they are loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection when using your firearm.
- Familiarize yourself with local laws regarding firearm use and accessories.
- Store the sight and your firearm securely, away from children and unauthorized users.
- Regularly inspect your sight and rifle for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure the sight is properly installed and securely mounted before use.
- Avoid using the sight in extreme weather conditions (e.g., heavy rain, snow) that could impair visibility.
- Do not attempt to modify the sight or rifle in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure that you have a clear line of sight before aiming and firing.
- If you experience any issues with the sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Gather all components from the package: sight base, aperture spring, elevation screw, mounting screws, and Allen wrench.
- Using the Allen wrench, attach the sight base to the rifle's receiver, ensuring that it is securely fastened.
- Install the aperture spring and elevation screw according to the manufacturer's instructions.
- Make sure the sight is aligned properly for optimal accuracy.

2. Usage

- Adjust the height of the sight from 0.26" to 0.36" as needed for your shooting position.
- Use the clear windage and elevation marks to make precise adjustments.
- Aim through the large .165" Cloverleaf aperture for a clear sight picture.
- Utilize the scopelike reticle and bright green fiber optics for quick aiming, especially in lowlight conditions.

Disposal Instructions

- Follow local regulations for the disposal of electronic and metal components.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Henry Lever Rifle Peep Sight, please contact the manufacturer or your local dealer. Ensure you have all relevant product information available for assistance.

Thank you for prioritizing safety while using the Henry Lever Rifle Peep Sight. Enjoy your shooting experience responsibly!
