Henry Lever Rifle Peep Sight Safety Instruction Guide

Introduction

Thank you for choosing the Henry Lever Rifle Peep Sight. This guide provides important safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the sight.
- Use the sight only on compatible Henry large caliber rifles: .4570, .3030, .360, and .3855.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the sight and all firearm accessories out of reach of children.
- Inspect the sight regularly for any signs of damage or wear. Do not use if damaged.
- Use the sight in appropriate lighting conditions to ensure visibility and accuracy.
- Report any unsafe products or accidents to local authorities immediately.

Specific Safety Precautions for Use

- Ensure that the sight is securely mounted before use to prevent accidents.
- Do not attempt to modify the sight or its components.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the sight in adverse weather conditions that may impair visibility.
- Always wear appropriate eye and ear protection when using firearms.
- If you experience any issues with the sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Gather Required Tools:

- 1 Allen wrench (included)
- 2 mounting screws (included)

2. Mount the Sight:

- Ensure the firearm is unloaded.
- Use the provided screws to attach the sight base to the rifle's receiver.
- Adjust the sight base to achieve the desired position.

3. Secure the Sight:

- Tighten the windage screw to secure the sight base in place.
- Ensure the sight is stable and does not move during use.

Usage

1. Adjusting the Sight:

- Use the elevation screw to adjust the height of the sight from 0.26" to 0.36".

- Use the windage screw to adjust left or right as needed.

2. Aiming:

- Use the scopelike reticle and bright green fiber optics for quick aiming.
- Practice aiming at targets at various distances, ideally starting at 150 yards.

3. Maintenance:

- Clean the sight regularly with a soft cloth to remove dirt and debris.
- Store the sight in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in household waste.
- Consider recycling options for aluminum or brass components.

Contact Information for Further Support

For any questions or concerns regarding the Henry Lever Rifle Peep Sight, please refer to the product packaging or visit the manufacturer's website for assistance. Ensure that you have the product details ready for reference.

Thank you for following these safety instructions. Enjoy your shooting experience with the Henry Lever Rifle Peep Sight!
