# Marlin Rossi 95 & Henry 4570 Cleaning Bore Guide Safety Instructions

## Introduction

Thank you for choosing the Marlin Rossi 95 & Henry 4570 Cleaning Bore Guide. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this document carefully before use to understand how to operate the bore guide safely.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the bore guide out of reach of children and vulnerable individuals.
- Regularly check the bore guide for any signs of wear or damage before use.
- If you notice any damage, discontinue use immediately and replace the product.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Before using the bore guide, ensure that the firearm is unloaded and the chamber is clear.
- Use the bore guide only with Marlin, Rossi 95, and Henry leveraction rifles chambered in .4570 Govt (roundbolt models only).
- Do not use the bore guide with any other type of firearm or model.
- Avoid using excessive force when inserting or removing the bore guide to prevent damage to the firearm.
- Ensure that cleaning solvents are used according to the manufacturer's instructions to prevent any adverse reactions with the bore guide material.
- Do not leave the bore guide in the firearm when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including cleaning solvents, brushes, and patches.

### 2. Installing the Bore Guide:

- Insert the bore guide into the breech end of the barrel.
- Ensure that the bore guide fits snugly and securely in place.
- Check that the cleaning rod can pass through the bore guide without obstruction.

### 3. Cleaning the Firearm:

- Attach the cleaning rod and brush or patch to the cleaning rod.
- Insert the cleaning rod through the bore guide and into the barrel.
- Clean the barrel according to the manufacturer's instructions for your cleaning supplies.
- After cleaning, remove the cleaning rod and bore guide carefully.

### 4. PostCleaning:

- Inspect the bore guide for any signs of wear or damage after use.
- Store the bore guide in a safe place away from children and pets.

## Disposal Instructions

- Dispose of the bore guide according to local regulations for plastic products.
- Do not dispose of the bore guide in regular household waste if local regulations require specific disposal methods.
- Ensure that any cleaning solvents or materials used with the bore guide are disposed of properly as per their respective guidelines.

## Contact Information for Further Support

For safety inquiries or further assistance regarding the Marlin Rossi 95 & Henry 4570 Cleaning Bore Guide, please reach out to the manufacturer or authorized dealer.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearm. Thank you for prioritizing safety and responsible firearm maintenance.
