Marlin 336 35 Rem Pistol Grip Lever Loop Safety Instruction Guide

Introduction

Thank you for choosing the Marlin 336 35 Rem Pistol Grip Lever Loop. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is compatible with your Marlin 336 rifle, specifically chambered in .35 Remington.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before installation or maintenance.
- Use appropriate tools when installing the lever loop to avoid injury.
- Ensure that all components are securely attached before using the firearm.
- If you experience any difficulty during installation, consult a qualified gunsmith.
- Avoid modifications that are not recommended by the manufacturer, as these may compromise safety.

Instructions for Installation and Usage

1. Preparation

- Ensure your Marlin 336 rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other tools specified in the installation instructions.

2. Installation Steps

- Remove the factory lever from your Marlin 336.
- Carefully install the quick takedown lever, ensuring that the plunger, spring, and pin from the factory lever are reused.
- Tighten the lever loop screws securely. If screws are sold separately, ensure they are compatible with your product.
- Check the lever for smooth operation by cycling it several times before use.

3. Usage

- After installation, ensure that the lever operates smoothly without any binding.
- Handle the firearm responsibly and in accordance with all local laws and regulations.
- Regularly maintain the lever loop by cleaning and lubricating as needed.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the product reaches the end of its life, dispose of it in accordance with local regulations for hazardous

waste, if applicable.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Marlin 336 35 Rem Pistol Grip Lever Loop, please contact your local retailer or consult the manufacturer's website for additional resources.

Thank you for prioritizing safety and responsible usage. Enjoy your Marlin 336!
