# Marlin Lever Loop for Pistol Grip Stocks Safety Instructions

## Introduction

Thank you for purchasing the Marlin Lever Loop designed for Pistol Grip Stocks. This product has been precision manufactured to ensure compatibility with various Marlin, Remington, and Ruger rifles. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions carefully.

## General Safety Guidelines

- Ensure that the lever loop is suitable for your specific rifle model before installation.
- Always handle firearms safely and responsibly, following all applicable laws and regulations.
- Regularly inspect the lever loop and associated components for wear or damage.
- Store firearms and accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility Check:** Confirm that your rifle model is compatible with the Marlin Lever Loop. This product is designed to fit models .308, 336, 338, 1895, 450M, and 410 with pistol grip stocks. It does not fit the Marlin 336 in .35 Rem (Special SKU 08 required).
- **Gunsmith Fitting:** Handfitted guns may require professional gunsmith fitting to ensure proper installation and safety.
- **Inspection Before Use:** Before using the lever loop, inspect it for any signs of damage or wear. Do not use if any issues are detected.
- **Safe Handling:** Always treat your firearm as if it is loaded. Keep your finger off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

1. **Preparation:** Ensure you have the necessary tools for installation, including a screwdriver for the lever screws.
2. **Remove Factory Lever:** Carefully remove the existing lever from your rifle, taking care to keep the plunger, spring, and pin for reuse.
3. **Install New Lever Loop:**
  - Align the Marlin Lever Loop with the mounting points on your rifle.
  - Secure it using the quick takedown lever screws.
4. **Check Functionality:** After installation, check the lever's functionality to ensure smooth operation.
5. **Final Inspection:** Conduct a final inspection of the lever loop and the firearm before use to ensure everything is secure and functioning correctly.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling regulations.
- If the lever loop or any associated components are damaged beyond repair, dispose of them in accordance with local waste management guidelines.

## Contact Information for Further Support

For safety inquiries or additional support, please contact the official manufacturer or retailer from whom you purchased the product. They will provide you with the necessary assistance and information.

Thank you for ensuring your safety and the safety of others while using the Marlin Lever Loop for Pistol Grip Stocks. Your adherence to these guidelines helps maintain a safe environment for all firearm users.
