

# LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Ruger M77 - SA - RH - Tactical - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Need one rifle that can do it all? Start here. The MDT LSS GEN3 Tactical Kit is built around flexibility, reliability, and rugged performance. Whether you need a dependable truck gun, a backcountry bolt rig, or a custom setup for the range, this kit has you covered.

You get the familiar AR-15 feel you know, combined with bolt-action precision you can trust. Fully capable. Fully upgradeable. Ready for anything.

This isn't some lightweight, minimalist build. The Tactical Kit is made to take a beating and keep going—featuring a rock-solid fit, a rigid forend, and durable construction throughout. Built to work. Built to last.

The SCS Buttstock gives you toolless control over length of pull, cheek height, and buttpad position, letting you dial in your setup on the fly. The Tactical Forend comes loaded with M-LOK slots on all five faces, ready for whatever your mission demands—bipod, weights, sling, light, spare rounds, and more.

Tough. Adaptable. Reliable. Whatever you throw at it, the MDT LSS GEN3 Tactical Kit is ready.

# Safety Instruction Guide for the LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Ruger M77. This product is designed for versatility, reliability, and durability. However, it is essential to follow safety guidelines to ensure safe usage and to maximize the performance of your rifle system. This guide provides important safety instructions and compliance information in line with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users of the LSS Gen3 Kit are aware of and follow these safety guidelines.
- Always treat the firearm as if it is loaded, even if you believe it is unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the LSS Gen3 Kit for any signs of wear or damage.
- Do not modify the kit or any of its components unless authorized by the manufacturer.
- Be mindful of your surroundings and ensure that you are in a safe environment when handling the firearm.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the rifle is properly assembled before use.
- Use only compatible ammunition as specified by the manufacturer.
- Be aware of the weight and balance of the rifle when using attachments.
- Avoid using the rifle under adverse weather conditions that may affect performance.
- If you experience any malfunctions, do not attempt to fix the issue while the firearm is loaded. Unload the firearm first and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the LSS Gen3 Kit:

- Unpack the kit and ensure all components are present.
- Follow the manufacturer's instructions to attach the chassis to the Ruger M77.
- Ensure all screws and fasteners are tightened to the manufacturer's specifications.
- Check that the SCS Buttstock is adjusted to your preferred length of pull and cheek height.

### 2. Usage Instructions:

- Before firing, ensure the rifle is pointed in a safe direction and the safety is engaged.
- Load the rifle with compatible ammunition only.
- When ready to fire, disengage the safety and take aim.
- After firing, engage the safety before unloading the rifle.
- Clean and maintain the rifle regularly as per the manufacturer's guidelines.

## Disposal Instructions

- Dispose of the LSS Gen3 Kit and any associated components in accordance with local regulations.
- Do not dispose of any parts in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support related to the LSS Gen3 Kit, please refer to the manufacturer's contact information provided with the product.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Always prioritize safety and compliance with regulations when handling firearms. Thank you for your attention to these important guidelines.
