

SEND IT GEN2 Level - MDT Accessories - Send iT Gen2 - Ocular Mount Kit

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

Keep your eye on the level—without ever leaving the scope. The MDT Ocular Mount Kit lets you relocate the indicator lights from your MDT Send iT GEN2 directly beneath your optic for constant visibility and faster corrections.

Installation is quick and tool-free:

Cut the included fiber optic line into three custom lengths.

Bundle the segments with the wrap.

Thread each line through one side of the Ocular Mount.

Place the mount over your scope's eyepiece.

Insert the other ends of the fiber lines into the LED ports on your Send iT GEN2.

Safety Instruction Guide for SEND IT GEN2 Level MDT Accessories Ocular Mount Kit

Introduction

Thank you for purchasing the SEND IT GEN2 Level MDT Accessories Ocular Mount Kit. This guide provides important safety information, installation instructions, and usage guidelines to ensure that you can use this product safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the product is used according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for signs of wear or damage. Do not use if any parts are broken or missing.
- Report any unsafe products or accidents to the relevant authorities.
- Check for updates on product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Ocular Mount Kit is securely attached to your scope before use.
- Do not modify the product in any way that could compromise its safety or functionality.
- Avoid exposing the product to extreme temperatures or harsh environmental conditions.
- Use caution when handling the fiber optic line to prevent injury.
- Do not attempt to use the product while operating a vehicle or engaging in any activity that requires full attention.

Instructions for Installation and Usage

Installation Instructions

1. Prepare the Fiber Optic Line

- Cut the included fiber optic line into three custom lengths as needed for your setup.
- Bundle the segments together using the provided wrap.

2. Attach the Ocular Mount

- Thread each fiber optic line through one side of the Ocular Mount.
- Position the mount over your scope's eyepiece, ensuring it is aligned correctly.

3. Connect the Fiber Lines

- Insert the other ends of the fiber lines into the LED ports on your Send iT GEN2.
- Ensure that all connections are secure and that the indicator lights are visible.

Usage Instructions

- Once installed, monitor the indicator lights for level readings while using your scope.
- Make adjustments as necessary based on the visibility of the indicator lights.
- Always ensure the Ocular Mount remains in place during use to maintain proper functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the SEND IT GEN2 Level MDT Accessories Ocular Mount Kit, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website for support resources.

Thank you for choosing the SEND IT GEN2 Level MDT Accessories Ocular Mount Kit. Your safety and satisfaction are our top priorities. Enjoy your product responsibly!
