

TIMBR Core Kit - MDT Chassis - TIMBR Core - Tikka T3X - SA -RH - Core Kit

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is the ultimate fusion of timeless craftsmanship and modern engineering. Built from solid walnut and reinforced with a proven aluminum micro-chassis, it combines the warmth of wood with the repeatability of metal.

Its integrated V-block bedding system locks your action perfectly in place—no bedding, no gunsmithing, no guesswork. Just torque it down and shoot with confidence. Whether you're in the whitetail woods or at the weekend range, the TIMBR CORE delivers reliability and precision every single time.

Every stock is one of a kind: the grain, color, and finish of the walnut are 100% unique, giving your rifle a character all its own. Beneath the smooth wooden exterior lies a rock-solid aluminum backbone that eliminates flex and ensures repeatable groups, shot after shot.

Ergonomic enhancements inspired by our chassis systems—refined grip angles, LOP spacers, and improved geometry—make the TIMBR CORE exceptionally comfortable without sacrificing the classic look and feel of a traditional wood stock.

MDT TIMBR CORE – Your rifle stock, your style, your precision.

MDT TIMBR Core Kit Safety Instruction Guide

Introduction

Thank you for choosing the MDT TIMBR Core Kit. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and usage to maintain safety and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the MDT TIMBR Core Kit is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm usage and storage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any defects or concerns, do not use the product and consult a qualified professional.

Specific Safety Precautions for Use

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Use appropriate eye and ear protection when shooting.
- Ensure that the area around you is clear of people and obstacles before firing.
- Do not modify the MDT TIMBR Core Kit or any associated components without consulting a professional.
- Avoid using the product under adverse weather conditions that may affect performance or safety.

Instructions for Installation and Usage

1. Installation:

- Carefully read all instructions before beginning the installation process.
- Ensure your workspace is clean and free of clutter.
- Gather all necessary tools and components before starting.
- Follow the specific installation steps provided in the product manual to ensure proper assembly.
- Check all screws and fittings to ensure they are securely tightened before use.

2. Usage:

- Familiarize yourself with the operation of your firearm and the MDT TIMBR Core Kit before use.
- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- When shooting, maintain a proper stance and grip for stability and control.
- Regularly clean and maintain the MDT TIMBR Core Kit according to the manufacturer's recommendations.
- Store the product in a secure location when not in use, preferably in a locked cabinet or safe.

Disposal Instructions

- When disposing of the MDT TIMBR Core Kit or any associated components, follow local regulations for the disposal of firearms and accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to reduce environmental impact.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the MDT TIMBR Core Kit, please refer to the

manufacturer's contact information provided with your product. It is essential to have access to support for any safetyrelated issues.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT TIMBR Core Kit. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for choosing MDT.
