

TIMBR Core - MDT Chassis - TIMBR Core - Tikka T3X - SA - RH - WNT

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is the ultimate fusion of timeless craftsmanship and modern engineering. Built from solid walnut and reinforced with a proven aluminum micro-chassis, it combines the warmth of wood with the repeatability of metal.

Its integrated V-block bedding system locks your action perfectly in place—no bedding, no gunsmithing, no guesswork. Just torque it down and shoot with confidence. Whether you're in the whitetail woods or at the weekend range, the TIMBR CORE delivers reliability and precision every single time.

Every stock is one of a kind: the grain, color, and finish of the walnut are 100% unique, giving your rifle a character all its own. Beneath the smooth wooden exterior lies a rock-solid aluminum backbone that eliminates flex and ensures repeatable groups, shot after shot.

Ergonomic enhancements inspired by our chassis systems—refined grip angles, LOP spacers, and improved geometry—make the TIMBR CORE exceptionally comfortable without sacrificing the classic look and feel of a traditional wood stock.

MDT TIMBR CORE – Your rifle stock, your style, your precision.

MDT TIMBR Core Safety Instruction Guide

Introduction

Thank you for choosing the MDT TIMBR Core MDT Chassis for your Tikka T3X rifle. This guide provides essential safety information to ensure the safe and effective use of your product. Please read and understand all instructions before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep this product and all firearms out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of damage or wear.
- Follow all safety instructions provided by the firearm manufacturer.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Using the product with incompatible firearms can result in safety issues.
- **Avoiding Hazards:**
 - Always ensure that the rifle is unloaded before installation or maintenance.
 - Use proper tools and follow the installation instructions carefully.
 - Do not exceed the recommended torque specifications during installation.
 - Regularly check the integrity of the chassis and bedding system.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Tikka T3X rifle by following the manufacturer's instructions.
- Align the MDT TIMBR Core chassis with the action of the rifle.
- Insert the action screws and tighten them to the manufacturer's specifications.
- Ensure that the Vblock bedding system is properly engaged.
- Doublecheck that all screws are secure before use.

2. Usage:

- Once installed, test the rifle in a safe environment to ensure proper function.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Maintain a secure grip on the rifle at all times.
- Be mindful of your surroundings and ensure a clear shooting range.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management service for guidance on the proper disposal of firearms accessories.

Contact Information for Further Support

For any safety inquiries or support regarding your MDT TIMBR Core chassis, please refer to the manufacturer's website or contact their customer service directly.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT TIMBR Core MDT Chassis. Thank you for prioritizing safety.
