

SEND IT GEN2 Level - MDT Accessories - Send iT Gen2 - Extended Vertical V-Mount To Picatinny - BLK

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The MDT Vertical V-Mount allows you to position your electronic level vertically – either on the left or right side – on any Picatinny rail. By keeping the device closer to the rifle, this mount minimizes snag points, improves protection, and ensures a cleaner, more streamlined profile.

Versatile Mounting Options: Can be mounted on the left or right, top or bottom of any Picatinny rail, giving you flexibility to match your shooting setup.

Compact and Protective Design: Positions the electronic level closer to the rifle body, reducing exposed edges and the risk of snagging or accidental impacts.

Safety Instruction Guide for SEND IT GEN2 Level MDT Accessories

Introduction

Thank you for choosing the SEND IT GEN2 Level MDT Accessories Extended Vertical VMount To Picatinny. This product is designed to enhance your shooting experience by providing a stable and secure platform for your electronic level. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this instruction guide.

General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety standards for nonfood items. It is important to use the product as intended to minimize the risk of injury or damage.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will receive standardized notices and remedies at no cost. Stay informed about recalls through official channels.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when using this product around vulnerable groups, including children. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not use excessive force when mounting or adjusting the device, as this may damage the product or your equipment.
- **Regular Inspections:** Periodically check the mount and electronic level for any signs of wear or damage. Replace or repair as necessary.
- **Proper Handling:** Handle the device with care. Avoid dropping or impacting the product, as this may affect its functionality.
- **Secure Mounting:** Ensure that the mount is securely attached to the Picatinny rail before use. Loose fittings may lead to accidents.
- **Environmental Considerations:** Avoid exposing the product to extreme temperatures or harsh weather conditions, as this may affect its performance.

Instructions for Installation and Usage

1. Installation:

- Select the desired position on the Picatinny rail (left or right side).
- Align the mount with the rail and slide it into place.
- Use the provided screws to secure the mount tightly. Ensure that it does not move or wobble.
- Confirm that the electronic level is positioned correctly and is easily visible from your shooting position.

2. Usage:

- Before each use, check that the electronic level is functioning properly.
- Adjust the level as needed to ensure accurate readings during shooting.
- After use, remove the electronic level if not needed to prevent damage.

- Store the product in a cool, dry place when not in use.

Disposal Instructions

- **Disposal of Product:** When disposing of this product, follow local regulations for electronic waste. Do not dispose of it with regular household trash.
- **Recycling:** If possible, recycle the aluminum components of the mount. Check with local recycling centers for proper disposal methods.
