

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - Rimfire - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - Rimfire - RH - BLK](#)
- Manufacturer: [MDT](#)

ACC Premier Gen 2 Folding System MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides important safety information and instructions to ensure the safe use and handling of your new chassis. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a firearm chassis.
- Always follow local laws and regulations regarding firearm usage and modifications.
- Keep the chassis out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear, damage, or malfunction before each use.
- Avoid using the chassis if it has been modified or damaged.
- Do not use the chassis with incompatible components or accessories.
- Ensure that all accessories are securely attached before use.
- Always handle firearms safely and responsibly, following the basic rules of firearm safety.

Specific Safety Precautions for Use

- Use the chassis only with compatible firearms, specifically the Ruger American Rimfire model.
- Ensure that all screws and fasteners are tightened to the manufacturer's specifications.
- Be aware of the potential for recoil and ensure that the chassis is properly secured to minimize movement.
- Maintain a proper shooting stance and grip to enhance stability and control while using the chassis.
- Do not exceed the weight limits specified in the product specifications when adding accessories.
- Use caution when adjusting the ergonomics of the chassis to avoid pinching or injury.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Installation:

- Place the action of your Ruger American Rimfire into the chassis.
- Align the action with the VBlock bedding system to ensure proper contact.
- Secure the action in place using the two screws provided. Ensure they are tightened adequately.
- Check that the chassis is stable and secure before proceeding to use.

2. Usage:

- Adjust the cheek weld, hand position, and length of pull to fit your personal comfort and shooting style.
- Ensure that the forend is clear of any obstructions before use.
- Attach bipods or tripods to the ARCA rail as needed for balance and stability.
- Regularly check that all components are secure during use, especially after transportation.

3. PostUse Care:

- Clean the chassis according to the manufacturer's recommendations to maintain its performance and longevity.
- Store the chassis in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations and guidelines for metal products.
- If the chassis is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Recycle materials whenever possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's website or customer support for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for prioritizing safety in your shooting activities.
