

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - Rimfire - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

ACC Premier Gen 2 Folding System MDT Chassis Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your product. Please read this manual carefully before use to understand how to operate the chassis safely and effectively.

General Safety Guidelines

- Ensure that the chassis is used only for its intended purpose as a rifle chassis.
- Always handle firearms with care and in accordance with local laws and regulations.
- Inspect the chassis for any damage before use. Do not use if any parts are broken or missing.
- Keep the chassis out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as eye and ear protection when using firearms.
- Follow all safety instructions provided by the firearm manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing the chassis.
- Always verify that the action is secure within the chassis before handling.
- Avoid placing your hands in front of the muzzle when handling the rifle.
- Do not use the chassis in wet or damp conditions to prevent corrosion or malfunction.
- Regularly check for any loose screws or parts and tighten them as necessary.
- Do not exceed the weight limit specified by the manufacturer for accessories mounted on the chassis.
- Avoid using the chassis with incompatible rifle models.

Instructions for Installation and Usage

Installation

1. **Prepare the Workspace:** Ensure that you have a clean, flat surface to work on.
2. **Remove the Action:** Carefully detach the action from your Ruger American rifle.
3. **Insert the Action:** Place the action into the ACC Premier Gen 2 chassis, ensuring it fits securely.
4. **Secure the Action:** Use the provided screws to fasten the action to the chassis. Ensure they are tightened adequately but do not overtighten.
5. **Check the Fit:** Verify that the action is stable and secure within the chassis before proceeding to use.

Usage

- Ensure that the rifle is balanced properly for optimal handling and shooting accuracy.
- Adjust the ergonomics of the chassis (cheek weld, hand position, length of pull) to suit your preferences.
- Always use the chassis in accordance with the manufacturer's guidelines and recommendations.
- When using bipods or tripods, ensure they are securely mounted to the fulllength ARCA rail.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding electronic and metal waste.
- If the chassis is damaged beyond repair, ensure it is recycled or disposed of in an environmentally friendly manner.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with the ACC Premier Gen 2 Folding System MDT Chassis. Thank you for prioritizing safety and responsibility in your shooting activities.
