

# TIMBR Core - MDT Chassis - TIMBR Core - Remington 700 - SA - RH - WNT

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT TIMBR CORE is what happens when you no longer have to choose between beauty and performance. Handcrafted from solid walnut and built around a precision-engineered aluminum micro-chassis, it blends timeless style with modern innovation.

Every TIMBR CORE stock is one of a kind. The natural walnut grain, color, and finish make each piece unique, while the internal V-block bedding system ensures your action locks in perfectly—no bedding work, no gunsmithing. Just torque it down and shoot with confidence.

## Key Features

1. Solid Walnut Construction: Warm, traditional aesthetics with a 100% unique grain pattern on every stock.
2. Aluminum Micro-Chassis Backbone: Delivers rock-solid stability, repeatable accuracy, and zero flex.
3. V-Block Bedding System: Simple, precise action fit without the need for custom bedding.
4. Ergonomic Design: Refined grip angles, adjustable LOP spacers, and improved geometry enhance comfort and control.
5. Versatility: Ideal for everything from hunting whitetail in the woods to precision shooting at the range.

# MDT TIMBR Core Safety Instruction Guide

## Introduction

Thank you for choosing the MDT TIMBR Core Chassis for your Remington 700 rifle. This guide provides important safety information to ensure your safe and enjoyable use of the product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that all users understand the basic principles of firearm safety.
- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the chassis and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Firearm Compatibility:** The MDT TIMBR Core Chassis is designed specifically for the Remington 700. Ensure compatibility before installation.
- **Bedding System:** The Vblock bedding system provides a secure fit. Ensure that the action is properly seated and torqued to the manufacturer's specifications.
- **Ergonomic Features:** Familiarize yourself with the ergonomic design to enhance comfort and control during use.
- **Cleaning and Maintenance:** Regularly clean the chassis to maintain its performance and appearance. Follow the manufacturer's recommendations for cleaning products.

## Instructions for Installation and Usage

### 1. Unpacking the Product:

- Carefully remove the MDT TIMBR Core Chassis from its packaging.
- Inspect for any visible damage or defects. If found, do not use the product and contact support.

### 2. Installation Steps:

- Ensure you have the necessary tools, including a torque wrench.
- Remove the action from your Remington 700 rifle according to the manufacturer's instructions.
- Align the action with the Vblock bedding system in the chassis.
- Securely fasten the action to the chassis using the provided screws. Follow the recommended torque specifications to ensure a proper fit.

### 3. Usage Instructions:

- After installation, perform a function check to ensure everything is operating correctly.
- Adjust the length of pull (LOP) spacers as needed for comfort.
- Before shooting, doublecheck that all components are secure and functioning.
- Always wear appropriate eye and ear protection when shooting.

## **Disposal Instructions**

- Dispose of the MDT TIMBR Core Chassis in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Ensure that all components are disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MDT TIMBR Core Chassis, please refer to the manufacturer's official website or contact their customer service.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT TIMBR Core Chassis. Always prioritize safety and be responsible when handling firearms. Enjoy your shooting experience!
