

# LSS Gen3 Forend - MDT Forend - LSS Gen3 - Tactical - Full Rail - Short - 8" (203mm) - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The LSS GEN3 chassis gives you the freedom to choose the perfect forend for your rifle setup — whether you're aiming for the ultimate compact build, PRS-style competition performance, or full tactical adaptability. Each forend is designed with precision, offering the right balance of rail space, M-LOK compatibility, and barrel/suppressor clearance to fit your mission.

## Key Advantages

1. **Modular Design:** Select the forend length and rail layout that best matches your shooting style.
2. **NV/Thermal Ready:** Partial and full-length rails allow direct mounting of night vision or thermal clip-on devices.
3. **M-LOK Flexibility:** Generous M-LOK slots for grips, bipods, and other compatible accessories.
4. **Rugged Enclosed Build:** Provides stability, protection, and ergonomic handling.

## Forend Options

5. **13.7" Enclosed Forend - 5.9" Top Rail:** Compact mid-length setup with partial rail for lightweight, low-profile optics mounting.
6. **13.7" Enclosed Forend - 11.4" Top Rail:** Extended top rail for more mounting space, ideal for versatile optic configurations.
7. **Maximized Forend (14.5"+ barrels):** Full-length integrated Picatinny rail, designed for long barrels and advanced accessory mounting (NV, thermal, lights, etc.).
8. **7.4" Enclosed Forend - 5.0" Top Rail:** Compact build option, optimized for running an 8" barrel with suppressor; features x17 M-LOK slots for grip panels and accessories.

# LSS Gen3 Forend Safety Instruction Guide

## Introduction

Thank you for choosing the LSS Gen3 Forend. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that the forend is compatible with your rifle model before installation.
- Always handle firearms with care and follow standard safety practices.
- Inspect the forend for any damage or defects before use.
- Keep the forend and all associated accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Modular Design:** When selecting the forend length and rail layout, ensure it matches your shooting style to avoid instability during use.
- **NV/Thermal Ready:** Use only compatible night vision or thermal devices. Improper mounting can lead to accidents or equipment damage.
- **MLOK Flexibility:** Ensure that all accessories mounted on MLOK slots are securely attached to prevent detachment during use.
- **Rugged Enclosed Build:** Be cautious while handling the forend, as sharp edges may cause injury if not handled properly.
- **Age Restrictions:** This product is intended for use by individuals 18 years and older. Ensure that minors are supervised when in the vicinity of firearms and accessories.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your rifle is unloaded and safe before beginning installation.
- Remove the existing forend from your rifle, following the manufacturer's instructions.
- Align the LSS Gen3 Forend with the mounting points on your rifle.
- Securely attach the forend using the provided screws and tools, ensuring it is firmly in place.
- Doublecheck that all attachments are secure before proceeding to use the rifle.

### 2. Usage:

- Always ensure the safety is engaged when not actively firing.
- Familiarize yourself with the forend's features, including rail space and MLOK compatibility.
- Practice safe shooting techniques and always be aware of your surroundings.
- Regularly inspect the forend and accessories for wear and tear, replacing any damaged components immediately.

## Disposal Instructions

- Dispose of the LSS Gen3 Forend and any associated packaging materials in accordance with local regulations.
- Do not dispose of in regular household waste. Check for any recycling programs in your area that accept aluminum materials.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's website or contact your local distributor. Always ensure you have the latest information and guidance regarding your product.

Thank you for prioritizing safety and compliance while using the LSS Gen3 Forend. Enjoy your shooting experience!
