# TriggerCam 2.1+ Safety Instructions

## Introduction

Thank you for purchasing the TriggerCam 2.1+. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of your product. Please read this guide carefully before using the TriggerCam 2.1+ to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- **Product Safety:** The TriggerCam 2.1+ is designed to meet high safety standards. Ensure that you use the product as intended to avoid any risks associated with improper use.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Please keep your purchase information for reference.
- **Online Shopping:** If you purchased the TriggerCam 2.1+ online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used by children or vulnerable individuals. Always supervise use in such cases.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with your product packaging.
- **Rapid Alerts:** Stay informed about product safety updates through the Safety Gate system, which provides faster alerts on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Do not use the TriggerCam 2.1+ in extreme weather conditions that exceed its waterproof rating (IP64).
  - Avoid exposing the product to excessive recoil forces beyond its designed capacity.
  - Ensure that the integrated battery is not exposed to extreme temperatures or punctured.
- **Avoiding Hazards:**
  - Always check that the product is securely mounted before use to prevent accidental detachment.
  - Do not use the product while operating a vehicle or machinery.
  - Keep the product out of reach of children when not in use.
  - Regularly inspect the device for any signs of wear or damage.

## Instructions for Installation and Usage

- **Installation:**
  1. Choose a suitable location for mounting the TriggerCam 2.1+ where it can capture the desired field of view.
  2. Securely attach the device to the rifle scope eyepiece, ensuring compatibility with eyepiece sizes between 32mm and 51mm.
  3. Ensure that the device is firmly in place and does not obstruct the view through the scope.
- **Usage:**
  - To power on the device, press the designated power button.
  - Use the TRIGGERCAM 2.1+ APP available on Android, iOS, and Huawei to control the camera settings and view live streaming.
  - For instant recording, switch on the power and record function.
  - Utilize the advanced video stabilization feature to minimize recoil effects during recording.
  - To record highdefinition slowmotion video, select the desired resolution (4K, 1080P, or 720P) in the app settings.
  - Remember to turn off the device after use to conserve battery life.

## **Disposal Instructions**

- Dispose of the TriggerCam 2.1+ in accordance with local regulations regarding electronic waste.
- Remove the integrated lithiumion battery before disposal and recycle it according to your local battery recycling guidelines.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the TriggerCam 2.1+, please refer to the contact information provided with your product packaging. Your safety and satisfaction are our top priorities.

Thank you for choosing TriggerCam 2.1+. Enjoy capturing your outdoor experiences safely!
