

OBI Clamp Lock with TEK-LOK- Locking LEFT WHT

[Shooting Accessories](#) > [Duty Gear](#)

The Clamp Lock with TEK-LOK attaches firmly to your belt or any 1.5-2.25 inch strap, offering a quick and reliable way to mount your gear wherever you need it. Whether on your backpack or belt, it allows you to connect any round or square posts with ease — perfect for photographers, hunters, or outdoor professionals who need fast, hands-free access to their equipment.

This Locking version of the Clamp Lock includes a small adjustable tension locking lever designed to securely fasten the post in place. To ensure maximum comfort and flexibility, it's available in both right-hand and left-hand configurations, making it simple to operate no matter how or where it's mounted.

Safety Instruction Guide for OBI Clamp Lock with TEKLOK

Introduction

Thank you for purchasing the OBI Clamp Lock with TEKLOK. This product is designed to provide a secure and convenient way to attach your gear to belts or straps. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Regularly inspect the Clamp Lock for any signs of wear or damage before each use.
- Keep the product out of reach of children to prevent accidents.
- Do not modify the product in any way, as this may compromise its safety and functionality.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the Clamp Lock is securely fastened to your belt or strap before attaching any equipment.
- Do not exceed the weight limit of the Clamp Lock; refer to the product specifications for maximum load recommendations.
- Avoid using the Clamp Lock in extreme weather conditions, as this may affect its performance.
- When attaching or detaching equipment, ensure that your hands are clear of any moving parts.
- Use the adjustable tension locking lever to secure your equipment properly; failure to do so may result in accidental release.

Instructions for Installation and Usage

1. Installation

- Select a suitable belt or strap with a width between 1.5 to 2.25 inches.
- Slide the Clamp Lock onto the belt or strap, ensuring it is positioned securely.
- Adjust the tension locking lever to ensure a tight fit.

2. Usage

- To attach equipment, align the post with the Clamp Lock opening.
- Insert the post into the Clamp Lock and secure it by engaging the locking lever.
- To remove the equipment, disengage the locking lever and gently pull the post out of the Clamp Lock.

3. Maintenance

- Regularly clean the Clamp Lock with a damp cloth to remove dirt and debris.
- Inspect the locking mechanism for any signs of wear and ensure it functions correctly.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the OBI Clamp Lock with TEKLOK, please contact the appropriate support channels as indicated on the product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the OBI Clamp Lock with TEKLOK. Thank you for your attention to these guidelines, and enjoy your product!
