OBi Clamp Lock MOLLE Safety Instruction Guide

Introduction

Thank you for choosing the OBi Clamp Lock MOLLE. This product is designed to securely attach to modular lightweight loadcarrying equipment systems, providing a reliable attachment point for various posts. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the OBi Clamp Lock MOLLE before use for any signs of wear or damage.
- Ensure that the attachment point is secure and stable before connecting any posts.
- Use the product only for its intended purpose as specified in this guide.
- Keep this product out of reach of children to prevent accidents.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the attachment points.
- Avoid using the Clamp Lock in extreme weather conditions, which may affect its performance.
- Ensure that the webbing or panels to which the Clamp Lock is attached are in good condition and free from fraying or damage.
- Never modify or alter the Clamp Lock in any way, as this may compromise its safety.
- If you notice any unusual sounds or movements while using the product, discontinue use immediately.

Instructions for Installation and Usage

1. **Preparation:**

   - Identify the location on your modular lightweight loadcarrying equipment where you wish to attach the OBi Clamp Lock.
   - Ensure that the area is clean and free from obstructions.

2. **Installation:**

   - Align the Clamp Lock with the webbing or panel.
   - Securely bolt the Clamp Lock onto the chosen attachment point, ensuring it is tightly fastened.
   - Doublecheck that the Clamp Lock is firmly attached and does not move.

3. **Usage:**

   - Once installed, connect any round or square posts as needed.
   - Regularly check the connection for security during use.
   - If you need to disconnect the posts, do so carefully to avoid damaging the Clamp Lock or the equipment.

4. **PostUse Check:**

   - After use, inspect the Clamp Lock for any signs of wear or damage.
   - Store the product in a dry, cool place when not in use to prolong its lifespan.

Disposal Instructions

- Dispose of the OBi Clamp Lock MOLLE in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains materials that could be harmful to the environment.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the OBi Clamp Lock MOLLE, please refer to the manufacturer's contact point for assistance. This contact point is essential for addressing safety inquiries and reporting any issues related to the product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
