

# Garmin MINI

[Shooting Accessories](#) > [Duty Gear](#)

The Garmin MINI mount attaches directly to the backside of your Garmin InReach Mini 2 device, providing a secure and reliable connection for your gear. Designed with a square anti-rotation post, it ensures your device stays firmly in place — no unwanted movement, no slipping, just total stability in any environment.

Once mounted, the Garmin MINI seamlessly connects to any Lock or Grip On family components, giving you versatile options for mounting your Garmin wherever you need it — on your backpack, belt, vehicle, or tripod setup.

# Garmin MINI Safety Instruction Guide

## Introduction

Thank you for choosing the Garmin MINI mount. This guide provides essential safety instructions and usage information to ensure you can use your device safely and effectively. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the Garmin MINI mount is compatible with your Garmin InReach Mini 2 device.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not use the mount if it is damaged or shows signs of wear.
- Keep the mount and device out of reach of children to prevent accidents.
- Follow all local regulations and guidelines regarding the use of mounted devices.

## Specific Safety Precautions for Use

- **Secure Attachment:** Always ensure that the Garmin MINI mount is securely attached to your device before use. A loose connection may result in the device falling or being damaged.
- **Avoid Excessive Force:** Do not apply excessive force when attaching or detaching the mount. This may damage the mount or the device.
- **Environmental Considerations:** Avoid using the mount in extreme temperatures or harsh environments that may affect its performance.
- **Weight Limit:** Do not exceed the weight limit specified for the mount. Overloading can lead to failure and potential injury.
- **Use with Compatible Products:** Only use the Garmin MINI mount with components that are part of the Lock or Grip On family to ensure compatibility and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the backside of your Garmin InReach Mini 2 device to ensure a secure attachment.
- Align the square antirotation post of the Garmin MINI mount with the designated area on the device.
- Firmly press the mount against the device until you hear a click, indicating a secure connection.

### 2. Usage:

- Once mounted, connect the Garmin MINI to your chosen Lock or Grip On family component.
- For backpack or belt usage, ensure that the mount is securely fastened and does not obstruct your movement.
- When using the mount in a vehicle or on a tripod, ensure that it is stable and will not tip over during use.

### 3. Removal:

- To detach the mount, gently pull the release tab while holding the device securely.
- Store the mount in a safe place when not in use to prevent damage.

## **Disposal Instructions**

- Dispose of the Garmin MINI mount in accordance with local waste disposal regulations.
- Do not dispose of the mount in household waste. Instead, take it to a designated electronic waste recycling center.
- Ensure that any electronic components are disposed of properly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions regarding the Garmin MINI mount or safety concerns, please refer to the official Garmin website or contact your retailer for assistance. Always ensure you are using the most up to date information regarding product safety and recalls.

Thank you for following these safety guidelines and instructions. Your safety and satisfaction are our top priorities. Enjoy using your Garmin MINI mount!
