

# 4-16x56 Polar T96 - 4-16x56 Polar T96 P 1.FP P4FL 1cm cw BDC II LT / BDC II LT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 4-16x56 Polar T96 delivers uncompromising performance even in the fading light of day. With up to 16× magnification, it excels in both long-range hunting and precision sport shooting, while its exceptional light transmission of 96 % ensures clear visibility and razor-sharp detail when it matters most.

Equipped with a first focal plane (FFP) reticle, the scope maintains a consistent scale at any magnification. Versions with parallax adjustment either fixed at 100 m or adjustable from 30 m provide maximum flexibility for a wide range of applications — from hunting to target shooting.

The Posicon CT turret system offers clear, reliable click feedback and long-term durability, while an optional ballistic turret (ASV) allows for precise, customized ballistic compensation for advanced users.

## Key Specifications:

Magnification: 4-16×

Objective Lens Diameter: 56 mm

Main Tube Diameter: 34 mm

Length: 386 mm

Weight: 810 g

Click Value: 1 cm / 100 m

Handcrafted in Germany with meticulous precision, the 4-16x56 Polar T96 stands as a benchmark for high-performance optics. Designed for demanding marksmen and hunters, it guarantees absolute reliability, exceptional clarity, and peak optical performance — from dawn's first light to dusk's final shot.

## Attributes

- Name: [4-16x56 Polar T96 P 1.FP P4FL 1cm cw BDC II LT / BDC II LT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015720
- Mfr. No.: 755-911-972-E4-G6
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 450mm
- EAN: 4060537044829

# Safety Instruction Guide for the 4-16x56 Polar T96

## Introduction

Thank you for choosing the 4-16x56 Polar T96 Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the scope to understand the safety precautions and proper handling.

## General Safety Guidelines

- Ensure that the rifle scope is used in accordance with all local laws and regulations regarding firearms and hunting.
- Always handle firearms with care and treat them as if they are loaded, even when they are not.
- Keep the scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear that could affect its performance.
- Store the scope in a dry, secure location to prevent damage from moisture or impact.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- When adjusting the scope, ensure that the firearm is pointed in a safe direction.
- Use the scope only for its intended purpose—hunting and target shooting.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles before taking aim.
- Always use appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before installing the scope.
- Mount the scope securely on the rifle using the provided rings and bases.
- Adjust the scope to the desired position for optimal eye relief.
- Tighten all screws and mounts to ensure stability during use.

### 2. Usage:

- Adjust the magnification by rotating the zoom ring to the desired level between 4x and 16x.
- Use the parallax adjustment feature to ensure accuracy, depending on the distance of your target.
- Familiarize yourself with the Posicon CT turret system for making precise adjustments to your aim.
- Always check the zeroing of the scope before going on a hunt or shooting session.

## Disposal Instructions

- Dispose of the scope in accordance with local regulations for electronic and optical devices.
- If the scope is damaged beyond repair, consider recycling components where possible.
- Do not dispose of the scope in regular household waste.

## Contact Information for Further Support

For any inquiries regarding the safety and use of the 4-16x56 Polar T96, please refer to the manufacturer's

contact point in the EU. Ensure you have your product information ready for a more efficient response.

By adhering to these safety guidelines, you can ensure a safer experience while using your 4-16x56 Polar T96 Rifle Scope. Always prioritize safety and responsible handling of firearms. Thank you for your attention and enjoy your shooting experience!
