

3-12x50 PM II - 3-12x50 PM II LP P3L 1cm cw DT / ST

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-12×50 PM II from Schmidt and Bender is a professional-grade riflescope tailored for serious marksmen, law-enforcement professionals, and hunters who demand top-tier optical and mechanical performance. Featuring a 3-12× magnification range and a 50 mm objective lens, it delivers excellent clarity, brightness, and flexibility across mid to longer engagement distances.

Equipped with a first focal plane (FFP) reticle, this scope ensures the reticle scale remains accurate throughout the entire zoom range—crucial for distance estimation and fast holdover corrections. With about 90 mm of eye relief, it offers comfortable viewing and rapid sight alignment in diverse shooting positions.

AVAILABLE

The field of view spans approximately 11.1–3.4 m at 100 m, providing broad situational awareness at lower magnification and detailed target framing at higher zoom. The exit pupil ranges from around 14.3–4.3 mm, supporting bright and precise imagery even in challenging light conditions. Built on a robust 34 mm tube diameter, it offers enhanced adjustment range and mechanical durability for demanding use.

Key Specifications:

Magnification: 3-12×
Objective Lens Diameter: 50 mm
Reticle: First Focal Plane (FFP)
Eye Relief: approx. 90 mm
Field of View: approx. 11.1–3.4 m @100 m
Exit Pupil: approx. 14.3–4.3 mm
Tube Diameter: 34 mm

Crafted in Germany with meticulous precision, the 3-12×50 PM II represents a benchmark in optical performance and mechanical integrity—designed for users who prioritise clarity, reliability and long-term excellence in the field.

Safety Instruction Guide for the 3-12x50 PM II Riflescope

Introduction

Thank you for choosing the 3-12x50 PM II Riflescope by Schmidt and Bender. This guide provides essential safety instructions to ensure the safe and effective use of your riflescope. Please read this guide thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** This riflescope is designed for safe use, but it is essential to follow all safety guidelines to prevent accidents.
- **Enhanced Recalls:** Stay informed about any product recalls. Check regularly for updates on the EU's Safety Gate platform.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when children are present. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on any unsafe products.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use appropriate eye protection when using the riflescope. The exit pupil range of 14.3-4.3 mm indicates the importance of proper alignment.
- **Secure Mounting:** Ensure that the riflescope is securely mounted to prevent it from loosening during use.
- **Weather Conditions:** Avoid using the riflescope in extreme weather conditions that may impair visibility or affect performance.
- **Handling:** Handle the riflescope with care. Avoid dropping or subjecting it to strong impacts.
- **Cleaning:** Use a soft, dry cloth for cleaning the lenses. Do not use abrasive materials or harsh chemicals.
- **Storage:** Store the riflescope in a cool, dry place when not in use. Protect it from moisture and extreme temperatures.

Instructions for Installation and Usage

- **Installation:**
 - Read the manufacturer's instructions before installation.
 - Use the appropriate mounting rings and base for your rifle.
 - Ensure the scope is level and aligned with the rifle barrel.
 - Tighten all screws securely but avoid overtightening, which may damage the scope.
- **Usage:**
 - Adjust the magnification from 3x to 12x according to your shooting needs.
 - Use the first focal plane (FFP) reticle for accurate distance estimation at any zoom level.
 - Maintain approximately 90 mm of eye relief for comfortable viewing.
 - Adjust the focus and parallax as needed for clear sighting.
 - Always check your surroundings and ensure a safe shooting environment before taking aim.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations for electronic equipment.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper recycling or disposal options.

Contact Information for Further Support

For any questions or concerns regarding the use of your 3-12x50 PM II Riflescope, please refer to the contact information provided by your retailer or manufacturer. They will be able to assist you with any inquiries related to safety and product support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 3-12x50 PM II Riflescope. Thank you for prioritizing safety.
