

# 3-20x50 PM II Ultra Short - 3-20x50 PM II Ultra Short LP TREMOR3 1cm cw DT II+ MTC LT / ST II ZC LT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-20×50 PM II Ultra Short from Schmidt and Bender is a compact yet powerful riflescope engineered for high-performance engagements across medium to long distances. With its 3–20× magnification range and a 50 mm objective lens, it offers outstanding optical clarity and flexibility in a streamlined form factor.

Constructed around a robust 34 mm main tube, it maintains a length of approximately 340 mm and weighs around 900 g, striking an excellent balance between size and performance—ideal for mounting on compact platforms without compromising optics.

Its field of view spans roughly 13.0–2.1 m at 100 m, providing broad situational awareness at lower magnification and refined detail at the high end. The exit pupil ranges around 11.4–2.5 mm, and the eye relief is approximately 90 mm, supporting comfortable shooting in varied positions while maintaining strong light-gathering even as light fades.

Advanced features include first focal plane (FFP) illuminated reticle options, side parallax adjustment (from approx. 25 m to infinity), and a low-profile elevation turret optimized for tactical precision.

Key Specifications:

Magnification: 3–20×  
Objective Lens Diameter: 50 mm  
Main Tube Diameter: 34 mm  
Field of View: approx. 13.0–2.1 m @100 m  
Exit Pupil: approx. 11.4–2.5 mm  
Eye Relief: approx. 90 mm  
Length: approx. 340 mm  
Weight: approx. 900 g

With precision optics, compact build, and rugged mechanical design, the 3-20×50 PM II Ultra Short is built for serious shooters who demand premium performance in a versatile package.

## Attributes

- Name: [3-20x50 PM II Ultra Short LP TREMOR3 1cm cw DT II+ MTC LT / ST II ZC LT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015766
- Mfr. No.: 667-911-532-M3-I6
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 450mm
- EAN: 4060537040036

# Safety Instruction Guide for 3-20x50 PM II Ultra Short Riflescope

## Introduction

Thank you for choosing the 3-20x50 PM II Ultra Short Riflescope by Schmidt and Bender. This guide provides essential safety instructions to ensure the safe and effective use of your riflescope. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

## General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of wear or damage.
- If you notice any defects or irregularities, discontinue use and consult a professional.
- Follow all local laws and regulations regarding the use of firearms and optics.

## Specific Safety Precautions for Use

- Always ensure that the riflescope is securely mounted to the firearm before use.
- Do not look directly at the sun through the riflescope, as this may cause serious eye damage.
- Use the riflescope in a safe environment, ensuring that you have a clear line of sight and a safe backstop.
- Avoid using the riflescope under adverse weather conditions (e.g., heavy rain, fog) that may impair visibility.
- When adjusting settings, do so with the firearm pointed in a safe direction.
- Always wear appropriate eye protection when using the riflescope.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Use a compatible mounting system to secure the riflescope to the firearm.
- Tighten the mounting screws evenly to ensure stability.
- Confirm that the riflescope is aligned properly with the barrel of the firearm.

### 2. Usage:

- Adjust the magnification according to your shooting distance and environment.
- Use the side parallax adjustment to improve accuracy, especially at varying distances.
- Maintain a proper shooting position to ensure comfort and stability.
- Regularly check the eye relief and adjust as necessary for optimal viewing.

## Disposal Instructions

- When disposing of the riflescope, follow local regulations regarding electronic waste and hazardous materials.
- Do not discard the riflescope in regular household waste.
- Consider recycling options or returning the product to the manufacturer if applicable.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to the manufacturer or the designated EU contact point. Always keep your purchase receipt and product information for reference.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your 3-20x50 PM II Ultra Short Riflescope responsibly.
