

3-20x50 PM II Ultra Short - 3-20x50 PM II Ultra Short LP P4FL 1cm ccw DT27 MTC LT / ST ZC CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-20×50 PM II Ultra Short from Schmidt and Bender is a compact yet powerful riflescope engineered for high-performance engagements across medium to long distances. With its 3–20× magnification range and a 50 mm objective lens, it offers outstanding optical clarity and flexibility in a streamlined form factor.

Constructed around a robust 34 mm main tube, it maintains a length of approximately 340 mm and weighs around 900 g, striking an excellent balance between size and performance—ideal for mounting on compact platforms without compromising optics.

Its field of view spans roughly 13.0–2.1 m at 100 m, providing broad situational awareness at lower magnification and refined detail at the high end. The exit pupil ranges around 11.4–2.5 mm, and the eye relief is approximately 90 mm, supporting comfortable shooting in varied positions while maintaining strong light-gathering even as light fades.

Advanced features include first focal plane (FFP) illuminated reticle options, side parallax adjustment (from approx. 25 m to infinity), and a low-profile elevation turret optimized for tactical precision.

Key Specifications:

Magnification: 3–20×
Objective Lens Diameter: 50 mm
Main Tube Diameter: 34 mm
Field of View: approx. 13.0–2.1 m @100 m
Exit Pupil: approx. 11.4–2.5 mm
Eye Relief: approx. 90 mm
Length: approx. 340 mm
Weight: approx. 900 g

With precision optics, compact build, and rugged mechanical design, the 3-20×50 PM II Ultra Short is built for serious shooters who demand premium performance in a versatile package.

Safety Instruction Guide for the 3-20x50 PM II Ultra Short Riflescope

Introduction

Thank you for choosing the 3-20x50 PM II Ultra Short Riflescope from Schmidt and Bender. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle the riflescope with care to avoid damage.
- Ensure that the riflescope is mounted securely on the firearm to prevent accidents.
- Do not use the riflescope in conditions that exceed its specifications, such as extreme temperatures or excessive moisture.
- Regularly inspect the riflescope for any signs of wear, damage, or malfunction.
- Keep the riflescope and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you have a clear understanding of the riflescope's features and functions before use.
- Always use the riflescope in a safe shooting environment, away from people and animals.
- Use appropriate eye protection when looking through the riflescope.
- Do not attempt to disassemble or modify the riflescope; this may void the warranty and compromise safety.
- Be aware of your surroundings and ensure that the area is clear before taking a shot.
- Use only compatible mounting equipment and follow the manufacturer's guidelines for installation.

Instructions for Installation and Usage

1. Installation

- Select a suitable firearm that meets the specifications for the 3-20x50 PM II Ultra Short.
- Ensure that the firearm is unloaded before beginning the installation process.
- Mount the riflescope onto the firearm using compatible rings and bases.
- Tighten all mounting screws securely but avoid overtightening, which may damage the scope.
- Check the alignment of the riflescope to ensure proper sighting.

2. Usage

- Adjust the magnification according to your shooting needs, ranging from 3x to 20x.
- Use the side parallax adjustment to improve accuracy based on the distance to your target.
- Ensure proper eye relief by positioning your eye at approximately 90 mm from the eyepiece.
- Maintain a firm grip on the firearm and ensure a stable shooting position.
- After each use, clean the lenses with a soft, lintfree cloth to maintain optical clarity.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste and optics.
- If the riflescope is damaged beyond repair, contact a local waste management facility for proper disposal guidance.

- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For any inquiries or further assistance regarding the 3-20x50 PM II Ultra Short Riflescope, please refer to the manufacturer's website or contact their customer service team.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the 3-20x50 PM II Ultra Short Riflescope, and always prioritize safety.
