

## 3-20x50 PM II Ultra Short - 5-20x50 PM II Ultra Short LPI P4FL 1cm cw DT27 MTC LT / ST ZC CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-20×50 PM II Ultra Short from Schmidt and Bender is a compact yet powerful riflescope engineered for high-performance engagements across medium to long distances. With its 3–20× magnification range and a 50 mm objective lens, it offers outstanding optical clarity and flexibility in a streamlined form factor.

Constructed around a robust 34 mm main tube, it maintains a length of approximately 340 mm and weighs around 900 g, striking an excellent balance between size and performance—ideal for mounting on compact platforms without compromising optics.

Its field of view spans roughly 13.0–2.1 m at 100 m, providing broad situational awareness at lower magnification and refined detail at the high end. The exit pupil ranges around 11.4–2.5 mm, and the eye relief is approximately 90 mm, supporting comfortable shooting in varied positions while maintaining strong light-gathering even as light fades.

Advanced features include first focal plane (FFP) illuminated reticle options, side parallax adjustment (from approx. 25 m to infinity), and a low-profile elevation turret optimized for tactical precision.

Key Specifications:

Magnification: 3–20×  
Objective Lens Diameter: 50 mm  
Main Tube Diameter: 34 mm  
Field of View: approx. 13.0–2.1 m @100 m  
Exit Pupil: approx. 11.4–2.5 mm  
Eye Relief: approx. 90 mm  
Length: approx. 340 mm  
Weight: approx. 900 g

With precision optics, compact build, and rugged mechanical design, the 3-20×50 PM II Ultra Short is built for serious shooters who demand premium performance in a versatile package.

### Attributes

- Name: [5-20x50 PM II Ultra Short LPI P4FL 1cm cw DT27 MTC LT / ST ZC CT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015802
- Mfr. No.: 173-911-972-G9-E9
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 450mm
- EAN: 4060537063776

# Safety Instruction Guide for the 3-20x50 PM II Ultra Short Riflescope

## Introduction

Thank you for choosing the 3-20x50 PM II Ultra Short from Schmidt and Bender. This guide provides important safety information to ensure the safe use of your riflescope. Please read this guide carefully before use to understand the precautions and instructions necessary for safe operation.

## General Safety Guidelines

- **Product Safety:** Always ensure that the riflescope is used as intended. Use it only for its designed purpose as a riflescope for aiming firearms.
- **Enhanced Recalls:** Stay informed about product recalls. If notified of a recall, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify the authenticity of the product and seller.
- **Special Consumer Focus:** Extra care should be taken when the product is used around vulnerable groups, including children. Ensure that children do not have access to the riflescope.
- **EU Contact Point:** For any safety inquiries, refer to the product packaging or documentation for the appropriate contact information.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety and potential hazards.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Contact:** Do not look directly into the riflescope while it is mounted on a firearm that is loaded or ready to fire.
- **Secure Mounting:** Ensure that the riflescope is securely mounted to the firearm before use. Loose mounts may cause misalignment and result in injury.
- **Check for Damage:** Inspect the riflescope for any signs of damage before each use. Do not use if damaged.
- **Proper Handling:** Handle the riflescope with care. Avoid dropping or impacting it, as this may affect its performance and safety.
- **Use in Safe Environments:** Only use the riflescope in designated shooting ranges or safe environments where shooting is permitted and safe.
- **Follow Local Laws:** Ensure compliance with local laws and regulations regarding firearms and their accessories.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable firearm that is compatible with the 3-20x50 PM II Ultra Short.
- Use the appropriate mounting rings and base for your firearm.
- Securely attach the riflescope to the firearm, ensuring it is level and aligned properly.
- Tighten all screws and fasteners according to the manufacturer's specifications to prevent loosening during use.

### 2. Usage:

- Adjust the magnification according to your shooting needs by rotating the magnification ring.
- Use the side parallax adjustment to ensure clarity based on the distance to your target.

- Maintain a proper shooting position to ensure eye relief is comfortable and effective.
- Always ensure the firearm is pointed in a safe direction before looking through the riflescope.
- After use, cover the riflescope with a protective lens cover to prevent dust and debris accumulation.

## **Disposal Instructions**

- **Environmental Considerations:** Dispose of the riflescope and its components in accordance with local environmental regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle the materials according to local recycling guidelines. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 3-20x50 PM II Ultra Short, please refer to the product packaging or documentation for the appropriate contact information.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on the proper use and maintenance of this product. Enjoy your shooting experience responsibly.
