

3-27x56 PM II High Power - 3-27x56 PM II High Power LP GR²ID 1cm cw DT27 MTC LT / ST ZC CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-27×56 PM II High Power from Schmidt and Bender is a premier tactical riflescope engineered for ultimate versatility—capable of precise performance from near-range engagements all the way to extreme long-distance targets. With an expansive 3-27× magnification range, this scope adapts effortlessly across calibres and mission profiles.

Its 56 mm objective lens offers exceptional light gathering and clarity, enabling detailed target acquisition even at great distances. The field of view spans approximately 13.0–1.4 m at 100 m, while the exit pupil ranges around 8.7–2.1 mm. Generous eye relief of around 90 mm ensures comfortable alignment and a stable sight picture.

Built on a rugged 34 mm main tube, the scope is constructed for demanding environments. The turret system accommodates ultra-fine click values (e.g., ~0.1 mrad) and massive internal adjustment ranges for elevation and windage—making it suitable for long-range engagement scenarios. Parallax adjustment commonly spans from around 10 m to infinity, giving flexibility across varied target distances.

Key Specifications:

Magnification: 3-27×

Objective Lens Diameter: 56 mm

Main Tube Diameter: 34 mm

Field of View: approx. 13.0-1.4 m @100 m

Exit Pupil: approx. 8.7-2.1 mm

Eye Relief: approx. 90 mm

Click Value: approx. 0.1 mrad (~0.5 cm @100 m) depending on configuration

Parallax: from ~10 m to infinity

Crafted with German precision, the 3-27×56 PM II High Power is ideal for professionals, competition marksmen or hunters who demand the highest optical clarity, mechanical resilience and full versatility across a wide range of engagement distances.

Safety Instruction Guide for 3-27x56 PM II High Power Tactical Riflescope

Introduction

Thank you for choosing the 3-27x56 PM II High Power Tactical Riflescope by Schmidt and Bender. This guide provides essential safety instructions to ensure the safe and effective use of your new riflescope. Please read this document carefully to understand the safety precautions, installation, usage instructions, and disposal information.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the riflescope by following all guidelines. This product is designed for nonfood use and complies with EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** In the event of a product recall, standardized notices will be provided. Stay informed about any updates regarding your product's safety.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements equivalent to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used only by individuals who are trained and experienced in handling tactical equipment.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate system, which provides quick alerts on unsafe products.

Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care. Avoid dropping or subjecting it to strong impacts.
- **Mounting:** Ensure that the riflescope is securely mounted to your firearm to prevent accidents.
- **Eye Protection:** Always wear appropriate eye protection while using the riflescope, especially during live fire.
- **Environment:** Use the riflescope in environments that are suitable for its specifications. Avoid exposure to extreme temperatures or moisture.
- **Maintenance:** Regularly check the riflescope for any signs of wear or damage. Do not use if damaged.
- **Training:** Ensure that all users are adequately trained in the operation and handling of tactical riflescopes.

Instructions for Installation and Usage

- **Installation:**

1. Select a suitable mounting platform on your firearm.
2. Align the riflescope with the mounting base.
3. Securely fasten the mounting rings or screws according to the manufacturer's specifications.
4. Ensure that the riflescope is level and properly aligned with the barrel of the firearm.

- **Usage:**

1. Adjust the magnification setting to your desired level (3-27x).
2. Use the turrets to make fine adjustments for elevation and windage as needed.
3. Adjust the parallax setting based on the distance to your target.
4. Ensure proper eye relief by positioning your eye at the correct distance from the eyepiece.
5. Always verify that the riflescope is securely attached and functioning correctly before use.

Disposal Instructions

- **Disposal:** Dispose of the riflescope in accordance with local regulations regarding electronic waste and optical equipment.
- **Recycling:** If possible, recycle the product components instead of discarding them in regular waste.
- **Environmental Considerations:** Ensure that any disposal methods do not harm the environment.

Contact Information for Further Support

For any questions or concerns regarding safety or usage of the 3-27x56 PM II High Power Tactical Riflescope, please refer to the manufacturer's customer support resources.

By following these safety instructions, you can ensure the safe and effective use of your 3-27x56 PM II High Power Tactical Riflescope. Thank you for your attention to these important guidelines.
