

3-27x56 PM II High Power - 3-27x56 PM II High Power LP GR²ID 1cm ccw DT35 MTC LT / ST ZC CT RAL 8000

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-27x56 PM II High Power from Schmidt and Bender is a premier tactical riflescope engineered for ultimate versatility—capable of precise performance from near-range engagements all the way to extreme long-distance targets. With an expansive 3-27x magnification range, this scope adapts effortlessly across calibres and mission profiles.

Its 56 mm objective lens offers exceptional light gathering and clarity, enabling detailed target acquisition even at great distances. The field of view spans approximately 13.0-1.4 m at 100 m, while the exit pupil ranges around 8.7-2.1 mm. Generous eye relief of around 90 mm ensures comfortable alignment and a stable sight picture.

Built on a rugged 34 mm main tube, the scope is constructed for demanding environments. The turret system accommodates ultra-fine click values (e.g., ~0.1 mrad) and massive internal adjustment ranges for elevation and windage—making it suitable for long-range engagement scenarios. Parallax adjustment commonly spans from around 10 m to infinity, giving flexibility across varied target distances.

Key Specifications:

Magnification: 3-27x

Objective Lens Diameter: 56 mm

Main Tube Diameter: 34 mm

Field of View: approx. 13.0-1.4 m @100 m

Exit Pupil: approx. 8.7-2.1 mm

Eye Relief: approx. 90 mm

Click Value: approx. 0.1 mrad (~0.5 cm @100 m) depending on configuration

Parallax: from ~10 m to infinity

Crafted with German precision, the 3-27x56 PM II High Power is ideal for professionals, competition marksmen or hunters who demand the highest optical clarity, mechanical resilience and full versatility across a wide range of engagement distances.

Safety Instruction Guide for 3-27x56 PM II High Power

Introduction

Thank you for choosing the 3-27x56 PM II High Power riflescope by Schmidt and Bender. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the riflescope.

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage and ensure safety.
- Keep the riflescope out of reach of children and unauthorized users.
- Regularly inspect the riflescope for any signs of damage or wear.
- Do not attempt to disassemble or modify the riflescope.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the riflescope.
- **Mounting:** Ensure that the riflescope is securely mounted to the firearm before use.
- **Focusing:** Adjust the focus of the riflescope according to your vision needs before shooting.
- **Target Identification:** Always positively identify your target before firing.
- **Weather Conditions:** Avoid using the riflescope in extreme weather conditions that may impair visibility or safety.
- **Storage:** Store the riflescope in a cool, dry place when not in use to prevent damage.

Instructions for Installation and Usage

1. Installation:

- Carefully read the manufacturer's instructions for mounting the riflescope.
- Select a suitable mounting base that is compatible with your firearm.
- Securely attach the riflescope to the base using the provided mounting hardware.
- Ensure that the riflescope is level and properly aligned with the firearm.

2. Usage:

- Adjust the magnification according to your shooting needs using the zoom control.
- Use the turret system to make precise adjustments for elevation and windage.
- Check the parallax adjustment to ensure accuracy at various distances.
- Regularly check the eye relief to maintain a comfortable and safe shooting position.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations for electronic and optical equipment.
- Do not dispose of the riflescope in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support related to the 3-27x56 PM II High Power riflescope, please consult the manufacturer's customer service or your local dealer.

Please remember that safety is paramount when using any firearms or related accessories. By following these guidelines, you can ensure a safe and enjoyable experience with your new riflescope.
