Safety Instruction Guide for Aluminum Pistol Grip Stock

Introduction

Thank you for choosing the Aluminum Pistol Grip Stock by Chisel Machining. This highquality product is designed for use with Henry leveraction rifles, providing enhanced ergonomics and durability. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Use only the stock with compatible Henry leveraction rifles, specifically those designed for pistolgrip furniture.
- Inspect the stock regularly for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the cheek piece is adjusted to a comfortable height to prevent strain during use.
- Adjust the butt pad to fit your shoulder properly, which will help in managing recoil effectively.
- Always practice safe firearm handling techniques, including pointing the firearm in a safe direction and keeping your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Henry leveraction rifle by following the manufacturer's instructions.
- Align the Aluminum Pistol Grip Stock with the receiver of the rifle.
- Secure the stock using the appropriate screws and tools, ensuring a tight fit.
- Confirm that the stock is firmly attached before proceeding to use the firearm.

2. Usage:

- Adjust the cheek piece by loosening the adjustment screws and moving it to the desired height. Tighten the screws once the preferred height is achieved.
- Adjust the butt pad by raising or lowering it to fit your shoulder comfortably. Make sure it is secure before usage.
- Familiarize yourself with the stock's features, including the ambidextrous design, to ensure optimal control and comfort during shooting.

Disposal Instructions

- When disposing of the Aluminum Pistol Grip Stock, follow local regulations for disposal of aluminum products.
- If the product is damaged beyond repair, recycle it at a designated recycling facility to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Aluminum Pistol Grip Stock, please consult the manufacturer's website or contact the retailer from whom you purchased the product. Always ensure you have the latest information on product recalls and safety updates.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible usage and adherence to these instructions. Enjoy your shooting experience with the Aluminum Pistol Grip Stock!
