

Benelli M4 Stock

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Chisel Machining M4 Stock is a premium CNC-machined buttstock made from solid 6061-T6 billet aluminum, designed specifically for the Benelli M4 shotgun. It combines rugged durability, full adjustability, and a modern tactical design for shooters who demand performance and precision.

Key Features

CNC-Machined Billet Construction Milled from a single block of 6061 aluminum for exceptional strength, rigidity, and long-term reliability.

Adjustable Length of Pull The stock length can be fine-tuned in quarter-inch increments, ranging from approximately 11.75" to 14.25", allowing a custom fit for any shooter.

Height-Adjustable Cheek Pad The cheek rest can be raised or lowered to achieve a consistent, comfortable cheek weld and optimal sight alignment.

Height-Adjustable Recoil Pad The butt pad can be adjusted up or down for improved shoulder placement and reduced felt recoil.

Integrated RMR Optic Mount Includes a built-in RMR mounting plate positioned for close eye relief and a wide field of view, ideal for fast target acquisition.

Multiple QD Sling Attachment Points Equipped with four potential QD mount locations, offering flexible sling setup options.

Premium Comfort Pads Included Ships with a high-quality Kick-Eez recoil pad and cheek pad to enhance comfort, control, and shooting stability.

Hard-Anodized Finish Features a durable, corrosion-resistant black anodized surface with a sleek tactical aesthetic.

Fixed, Non-Folding Design Built for maximum stability and rigidity — ideal for heavy use, red-dot setups, and demanding shooting environments.

Benelli M4 Stock Safety Instruction Guide

Introduction

Thank you for choosing the Chisel Machining M4 Stock for your Benelli M4 shotgun. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the M4 Stock by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Always supervise young users.
- **EU Contact Point:** For safety inquiries, refer to the contact details provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not alter or modify the M4 Stock in any way, as this may compromise its safety and performance.
- **Regular Inspections:** Frequently inspect the stock for signs of wear, damage, or corrosion. If any issues are found, discontinue use immediately.
- **Proper Fit:** Ensure the stock is properly fitted to your shotgun before use. An improper fit can lead to instability and potential accidents.
- **Safe Handling:** Always handle your shotgun and stock with care. Treat every firearm as if it is loaded.
- **Use Appropriate Ammunition:** Only use ammunition that is compatible with your Benelli M4 shotgun.

Instructions for Installation and Usage

1. Installation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Remove the existing stock from your Benelli M4 following the manufacturer's instructions.
- Align the Chisel Machining M4 Stock with the shotgun's receiver.
- Secure the stock using the provided screws or mounting system, ensuring it is tightened to the manufacturer's specifications.
- Check for stability before proceeding to use.

2. Usage:

- **Adjust the Length of Pull:** Finetune the stock length in quarterinch increments to fit your preference, ranging from approximately 11.75" to 14.25".
- **Adjust the Cheek Pad:** Raise or lower the cheek pad to ensure a comfortable and consistent cheek weld.
- **Adjust the Recoil Pad:** Modify the butt pad position for optimal shoulder placement and reduced felt recoil.
- **Utilize the Integrated RMR Optic Mount:** If using an optic, ensure it is securely mounted and aligned for proper sighting.
- **Use the QD Sling Attachment Points:** Attach your sling securely to one of the four QD mount

locations for flexible carry options.

Disposal Instructions

- Dispose of the M4 Stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling the aluminum components where facilities are available.
- Ensure that any remaining parts are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Chisel Machining M4 Stock, please refer to the contact information provided by your retailer or manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Benelli M4 Stock. Always prioritize safety and responsible firearm handling.
