Adjustable Length of Pull Fine-tunable in $\frac{1}{4}$ -inch increments, ranging from approximately 11.5" to 14" to ensure a perfect fit for any shooter.

Height-Adjustable Cheek Riser Allows for a consistent, comfortable cheek weld and ideal sight alignment, especially with optics.

Height-Adjustable Recoil Pad The buttpad can be moved up or down to optimize shoulder placement, recoil control, and comfort.

Integrated RMR Optic Mount Includes a built-in RMR-footprint mounting plate, positioned for fast sight acquisition and a wide field of view.

Multiple QD Sling Attachment Points Offers four potential QD mounting locations plus a steel QD cup for flexible sling configuration.

AR-Style Pistol Grip Included Enhances handling, control, and overall ergonomics.

Hard-Anodized Black Finish Provides corrosion resistance and a sleek, durable tactical appearance.

Fixed, Non-Folding Design The stock does not fold due to the A300's recoil system, ensuring maximum rigidity.

Beretta A300 Stock Safety Instruction Guide

Introduction

Thank you for choosing the Beretta A300 Stock by Chisel Machining. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the stock to maximize your safety and enjoyment.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions provided. This product is designed for nonfood use and complies with EU safety standards.
- **Enhanced Recalls:** Stay informed about potential recalls. Check the EU's Safety Gate platform regularly for updates.
- **Online Shopping Protections:** If purchased online, ensure that the platform meets safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of rapid alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors do not use the stock without adult supervision.
- **Proper Fit:** Adjust the length of pull to fit your body size and shooting style to avoid discomfort or injury.
- **Cheek Riser and Recoil Pad:** Ensure that the cheek riser and recoil pad are adjusted correctly to maintain a consistent and comfortable shooting position.
- **Sling Attachments:** Use only approved sling attachments to prevent accidental detachment during use.
- **Inspection:** Regularly inspect the stock for signs of wear or damage. Do not use if any components are compromised.
- **Training:** Ensure you have received proper training in the use of shotguns and accessories before using this product.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and the safety is engaged.
- Remove the existing stock from the shotgun according to the manufacturer's instructions.
- Align the Beretta A300 Stock with the shotgun's receiver.
- Secure the stock using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Adjust the length of pull by moving the adjustable components in $\frac{1}{4}$ inch increments until the desired length is achieved.

2. Usage:

- Before each use, check that all components are secure and functioning properly.
- Adjust the cheek riser and recoil pad for optimal comfort and fit.
- Practice safe handling and shooting techniques as outlined in your shotgun's user manual.
- After use, clean the stock and inspect for any signs of damage or wear.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If applicable, recycle components made from aluminum and other materials at designated recycling facilities.

Contact Information for Further Support

For further support or inquiries regarding the Beretta A300 Stock, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you are reaching out to official sources for safetyrelated questions.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Beretta A300 Stock. Thank you for your attention to safety and for choosing our product.
