

1301 Stock - 1301 Fixed Stock

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Chisel Machining 1301 is a premium CNC-machined folding stock made from solid 6061 aluminum, engineered specifically for the Beretta 1301 and A400 platforms. It delivers exceptional durability, extensive adjustability, and a compact folding mechanism ideal for transport, storage, and tactical applications.

Key Features

CNC-Machined From 6061 Billet Aluminum Built from a single solid block for maximum strength and long-term rigidity.

7075 Aluminum Folding Hinge Heavy-duty hinge mechanism locks firmly in the open position for a rock-solid shooting platform.

Adjustable Length of Pull Fine-tunable in ¼-inch increments from approximately 11.5" to 14", allowing a perfect ergonomic fit.

Height-Adjustable Cheek Riser Ensures a consistent cheek weld and optimal sight alignment, especially when using optics.

Height-Adjustable Buttpad Customizable shoulder placement helps improve control and manage recoil more effectively.

Integrated RMR Optic Mount Built-in mounting plate positioned for fast target acquisition, wide field of view, and secure optic alignment.

Six QD Sling Mount Points Includes a steel QD cup and multiple attachment positions for flexible sling configurations.

Ambidextrous Design Fully compatible for both right-handed and left-handed shooters.

Premium Comfort Package Included Ships with a Kick-Eez recoil pad, cheek pad, B5 grip, and an extra recoil buffer.

Hard-Anodized Finish Durable, corrosion-resistant surface built for real-world wear and harsh conditions.

Safety Instruction Guide for 1301 Stock 1301 Fixed Stock

Introduction

Thank you for purchasing the Chisel Machining 1301 Fixed Stock. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock and firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and storage.
- Use appropriate personal protective equipment, such as ear and eye protection, when shooting.

Specific Safety Precautions for Use

- Ensure the stock is securely attached to the firearm before use.
- Do not exceed the maximum length of pull adjustments as specified in the product specifications.
- Be cautious when adjusting the height of the cheek riser and buttpad to avoid pinching fingers.
- Make sure the folding mechanism is locked in place before firing.
- If using optics, ensure they are properly mounted and aligned to avoid any obstruction of view.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Attach the Stock:**
 - Align the stock with the firearm's receiver.
 - Securely fasten the stock using the provided screws and tools.
 - Check that the stock is firmly attached and does not wobble.
3. **Adjust Length of Pull:**
 - Loosen the adjustment mechanism.
 - Slide the stock to the desired length of pull (between 11.5 inches to 14 inches).
 - Tighten the adjustment mechanism to secure the length.
4. **Set Cheek Riser and Buttpad:**
 - Adjust the cheek riser to your preferred height for optimal sight alignment.
 - Adjust the buttpad for comfortable shoulder placement.

Usage

- Always ensure the firearm is in a safe condition before handling.
- Practice safe shooting techniques and be aware of your surroundings.
- When transporting the firearm, ensure the stock is in the folded position for compactness.
- Regularly clean and maintain the stock and firearm to ensure proper functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum materials.

- Do not dispose of in regular household waste. Check with local authorities for proper recycling or disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the 1301 Fixed Stock, please refer to the manufacturer's contact information included in the packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Chisel Machining 1301 Fixed Stock. Always prioritize safety and responsible firearm handling. Thank you for choosing our product.
