

# 1301 Stock - 1301 Folding Stock

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Chisel Machining 1301F is a premium CNC-machined folding stock made from solid 6061 aluminum, engineered specifically for the Beretta 1301 and A400 platforms. It delivers exceptional durability, extensive adjustability, and a compact folding mechanism ideal for transport, storage, and tactical applications.

## Key Features

CNC-Machined From 6061 Billet Aluminum Built from a single solid block for maximum strength and long-term rigidity.

7075 Aluminum Folding Hinge Heavy-duty hinge mechanism locks firmly in the open position for a rock-solid shooting platform.

Adjustable Length of Pull Fine-tunable in ¼-inch increments from approximately 11.5" to 14", allowing a perfect ergonomic fit.

Height-Adjustable Cheek Riser Ensures a consistent cheek weld and optimal sight alignment, especially when using optics.

Height-Adjustable Buttpad Customizable shoulder placement helps improve control and manage recoil more effectively.

Integrated RMR Optic Mount Built-in mounting plate positioned for fast target acquisition, wide field of view, and secure optic alignment.

Six QD Sling Mount Points Includes a steel QD cup and multiple attachment positions for flexible sling configurations.

Ambidextrous Design Fully compatible for both right-handed and left-handed shooters.

Premium Comfort Package Included Ships with a Kick-Eez recoil pad, cheek pad, B5 grip, and an extra recoil buffer.

Hard-Anodized Finish Durable, corrosion-resistant surface built for real-world wear and harsh conditions.

# Safety Instruction Guide for the 1301 Folding Stock

## Introduction

Thank you for choosing the Chisel Machining 1301 Folding Stock. This premium product is designed for use with the Beretta 1301 and A400 platforms. To ensure your safety and the proper functioning of the stock, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

To promote safe usage of the 1301 Folding Stock, please adhere to the following general safety guidelines:

- Always handle the product with care and respect.
- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Regularly inspect the stock for any signs of wear or damage.
- Keep the stock and firearm away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.
- Always use the product in accordance with the manufacturer's instructions.

## Specific Safety Precautions for Use

When using the 1301 Folding Stock, consider the following safety precautions:

- **Proper Fit:** Ensure the stock is properly adjusted to your body size to maintain control and reduce the risk of injury.
- **Check Stability:** Before use, verify that the folding mechanism is secure and functioning correctly.
- **Shooting Position:** Maintain a proper shooting stance to avoid accidents and ensure accuracy.
- **Use of Optics:** When using optics, ensure they are securely mounted and properly aligned for optimal performance.
- **Recoil Management:** Be aware of your firearm's recoil and adjust your grip and stance accordingly.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the 1301 Folding Stock:

### 1. Installation:

- Ensure the firearm is unloaded.
- Align the stock with the receiver of the firearm.
- Securely attach the stock using the provided hardware.
- Confirm that the stock is firmly in place and does not wobble.

### 2. Adjusting the Length of Pull:

- Locate the adjustment mechanism.
- Adjust the length of pull in 1/4 inch increments to fit your preference.
- Lock the adjustment in place before use.

### 3. Using the Height Adjustable Cheek Riser:

- Adjust the cheek riser to ensure a comfortable cheek weld.
- Make sure the riser is locked in place before shooting.

#### **4. Using the HeightAdjustable Buttpad:**

- Adjust the buttpad to find the most comfortable shoulder placement.
- Ensure it is securely locked before use.

#### **5. Folding the Stock:**

- To fold the stock, ensure the firearm is pointed in a safe direction.
- Release the folding mechanism and gently fold the stock.
- Lock the stock in the folded position for transport.

## **Disposal Instructions**

When disposing of the 1301 Folding Stock, follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods of aluminum and other materials.
- Consider recycling the stock if possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or support regarding the 1301 Folding Stock, please reach out to the manufacturer's customer service. Ensure you have the product details at hand for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Chisel Machining 1301 Folding Stock. Thank you for your attention to safety.
