

## A300 / 1301 / A400 Straight Traditional Stock

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Traditional Stock SB is the perfect upgrade for shooters who want classic ergonomics, improved control, and a refined shooting feel for their Beretta A300, A400, or 1301 shotgun. Designed with traditional lines and modern engineering, this stock delivers a balanced combination of comfort, stability, and durability.

Made from rugged, non-slip materials, the SB stock provides a solid shoulder mount, smoother recoil management, and a natural point-of-aim—ideal for fast follow-up shots. Its well-balanced profile helps the shotgun swing effortlessly onto target, while the clean contours ensure consistent comfort during extended shooting sessions.

The Traditional Stock SB installs easily without the need for extensive fitting and integrates seamlessly with all standard models of the Beretta A300, A400, and 1301 series. Whether on the range, in competition, or in tactical environments, this stock delivers proven handling with a timeless feel.

# Safety Instruction Guide for A300 / 1301 / A400 Straight Traditional Stock

## Introduction

Thank you for choosing the A300 / 1301 / A400 Straight Traditional Stock. This guide provides essential safety information and instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle your shotgun and accessories, including the stock, with care.
- Ensure you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm use and ownership.
- Keep this product out of reach of children and unauthorized individuals.
- Regularly inspect the stock for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before installing or adjusting the stock.
- Use the stock only with Beretta A300, A400, or 1301 shotguns.
- Do not modify the stock in any way that could compromise its safety or performance.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear line of fire.
- Avoid using the shotgun in wet or slippery conditions to prevent accidents.
- If you are inexperienced, seek guidance from a qualified instructor before use.

## Instructions for Installation and Usage

### Installation

1. Ensure the shotgun is unloaded and pointed in a safe direction.
2. Remove the existing stock from the shotgun by following the manufacturer's instructions.
3. Align the Traditional Stock SB with the shotgun receiver.
4. Secure the stock using the provided hardware, ensuring it is tightly fastened.
5. Check for proper fit and stability before use.

### Usage

- When shouldering the shotgun, ensure a firm grip on the stock for better control.
- Practice shooting in a safe environment to become familiar with the stock's handling characteristics.
- Adjust your stance and grip as necessary to maintain comfort and stability during shooting sessions.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, contact your local waste disposal service for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding this product, please refer to the manufacturer's website or contact their customer service team.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the A300 / 1301 / A400 Straight Traditional Stock, and always prioritize safety.
