

Aridus 4-Round Quiver and Mounting Plate

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Aridus 4-Round Shotgun Quiver is a compact and rugged shell carrier designed for use with Chisel Machining shotguns. It provides a simple, low-profile way to carry extra shotgun rounds without compromising the sleek, tactical design of your firearm.

Key Features

Capacity Holds up to four shotgun shells, optimized for 12-gauge configurations.

Durable Construction Machined from 6061 aluminum and finished with Type-III hard-coat anodizing for strength and corrosion resistance.

Mounting System Includes a dedicated aluminum mounting plate for a secure and stable attachment to compatible Chisel Machining stocks.

Versatile Orientation The latch can be oriented forward or backward, depending on user preference, thanks to configurable mounting points.

Made in the USA Precision-machined in the United States to ensure high-quality craftsmanship and reliability.

Safety Instruction Guide for Aridus 4Round Quiver and Mounting Plate

Introduction

Thank you for choosing the Aridus 4Round Quiver and Mounting Plate. This product is designed to enhance your shotgun experience by providing a compact and rugged solution for carrying extra rounds. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only as intended, for carrying shotgun shells.
- Regularly inspect the quiver and mounting plate for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.
- In case of any malfunction or concern, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to the quiver detaching during use, potentially resulting in injury or loss of ammunition.
- Carrying more than the recommended four shotgun shells may compromise the quiver's integrity.

- **Avoiding Hazards:**

- Always ensure that the quiver is securely mounted to the shotgun stock before use.
- Do not attempt to modify or alter the quiver or mounting plate.
- Use only the compatible Chisel Machining stocks for mounting.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure adult supervision when the product is in the vicinity of minors.

Instructions for Installation and Usage

1. Installation:

- Begin by selecting a compatible Chisel Machining shotgun stock.
- Align the dedicated aluminum mounting plate with the designated mounting points on the stock.
- Secure the mounting plate using the provided screws, ensuring a tight fit to prevent movement.
- Attach the quiver to the mounting plate, ensuring it is oriented according to your preference (forward or backward).

2. Usage:

- Load up to four 12gauge shotgun shells into the quiver.
- Ensure the shells are seated properly and that the quiver is closed securely.
- Carry the shotgun with the quiver attached as needed, ensuring it remains stable during movement.

- Regularly check the quiver for any signs of wear and ensure the shells remain securely in place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where applicable, especially the aluminum parts.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Aridus 4Round Quiver and Mounting Plate, please refer to the manufacturer's official website or contact their customer service. They can provide additional support and information regarding product safety and usage.

By following these guidelines, you can ensure a safe and enjoyable experience with your Aridus 4Round Quiver and Mounting Plate. Always prioritize safety and compliance with local laws. Thank you for your attention to these important safety instructions.
