

1913 Folding AR Stock Rear

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Chisel Machining 1913F is a robust and precision-engineered folding stock, CNC-machined from billet 6061 aluminum, designed to fit any firearm with a 1913 Picatinny rear interface — including AR platforms, buffer-tube-less ARs, MPX, MCX, and AK systems.

Key Features

Chisel-Lock Folding Mechanism Industry-leading locking knuckle ensures rock-solid stability when the stock is extended.

Adjustable Length of Pull The stock length can be fine-tuned in quarter-inch increments, ranging from approximately 11.75" up to about 14.25".

Height-Adjustable Cheek Pad The cheek rest can be moved vertically to give consistent cheek weld and comfortable sight alignment.

Adjustable Recoil Pad The butt-pad also offers height adjustment, so you can fine-tune the fit for your shooting style and ergonomics.

Multiple QD Points Designed with multiple quick-detach (QD) sling mounting points for flexible sling setups.

Solid Construction Made from a single piece of billet aluminum for durability and long-term reliability under heavy use.

Premium Pad Material Included Comes equipped with high-quality cheek and recoil pads to improve comfort and reduce felt recoil.

Safety Instruction Guide for 1913 Folding AR Stock Rear

Introduction

Thank you for choosing the Chisel Machining 1913 Folding AR Stock Rear. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this guide carefully before using the stock.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Always handle firearms in a safe manner, ensuring they are pointed in a safe direction and that the action is open when not in use.
- Store the stock in a secure location, away from children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in the line of fire when using your firearm equipped with this stock.

Specific Safety Precautions for Use

- Always ensure the stock is securely locked in place before using the firearm.
- Adjust the length of pull and cheek pad height only when the firearm is not in use.
- Use the stock with compatible firearms only. Refer to the product specifications for compatible models.
- When using the adjustable recoil pad, ensure it is properly set to avoid discomfort or injury during use.
- Avoid using the stock in extreme weather conditions (e.g., heavy rain, snow) to maintain its integrity and performance.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the 1913 Folding AR Stock Rear with the 1913 Picatinny rear interface on your firearm.
- Slide the stock onto the interface until it is fully seated.
- Engage the ChiselLock mechanism to secure the stock in place.
- Check the stability of the stock by gently pulling on it to ensure it is locked.

2. Adjusting Length of Pull

- To adjust the length of pull, locate the adjustment lever.
- Pull the lever to unlock the stock.
- Slide the stock to the desired length, adjusting in quarterinch increments.
- Release the lever to lock the stock in place.

3. Adjusting Cheek Pad Height

- To adjust the cheek pad height, locate the adjustment mechanism on the back of the pad.
- Move the cheek pad vertically to the desired position.
- Ensure it is securely locked in place before use.

4. Using the Recoil Pad

- To adjust the height of the recoil pad, locate the adjustment mechanism.
- Set the pad to the desired height for optimal comfort during shooting.
- Ensure it is securely locked before use.

5. Using QD Sling Points

- Attach your sling to one of the multiple quickdetach points as needed.
- Ensure that the sling is securely fastened to avoid accidental detachment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options for aluminum materials.
- If the product is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 1913 Folding AR Stock Rear, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Chisel Machining 1913 Folding AR Stock Rear. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important details.
