

Folding Stock Conversion Adapter

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Do you have a 1st-generation folding stock and want to upgrade it with a locking knuckle? Or do you own a 2nd-generation fixed stock and want to convert it into a folding setup? This upgrade package includes a redesigned knuckle and the necessary adapter to upgrade any older Chisel folding stock, or to convert the current Gen-2 fixed stock into a folding model. We're offering this upgrade at a discounted rate for existing stock owners. Please note: this upgrade does not convert the original Gen-1 fixed stock into a folding stock — it is only compatible with the Gen-2 fixed version.

Folding Stock Conversion Adapter Safety Instruction Guide

Introduction

Thank you for choosing the Folding Stock Conversion Adapter. This guide provides essential safety instructions to ensure the safe use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is compatible with your existing stock model before proceeding with installation.
- Always handle the product with care to avoid any injury or damage.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of wear or damage. If any issues are detected, discontinue use immediately.
- In case of any malfunction or suspected safety issues, stop using the product and report it to the appropriate authorities.

Specific Safety Precautions for Use

- This product is only compatible with the Gen2 fixed stock. Do not attempt to use it with the Gen1 fixed stock.
- Ensure that all components are securely attached before using the folding stock.
- Avoid using excessive force when folding or unfolding the stock to prevent mechanical failure.
- Do not modify or alter the product in any way, as this may compromise safety.
- Always follow the manufacturer's guidelines for use and maintenance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components required for installation.
- Ensure that you are working in a clean, dry environment to prevent any contamination.

2. Installation Steps

- Remove the existing fixed stock from your firearm following the manufacturer's instructions.
- Take the redesigned knuckle and adapter included in the upgrade package.
- Attach the adapter to the existing stock attachment point, ensuring a secure fit.
- Install the redesigned knuckle onto the adapter, following the provided instructions carefully.
- Doublecheck all connections to ensure they are tight and secure.

3. Usage

- To fold the stock, gently pull the knuckle and fold it against the body of the firearm.
- To unfold, pull the knuckle away from the body and lock it into place.
- Always ensure that the stock is fully locked before using the firearm.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local regulations.
- If the product is no longer usable, dispose of it in accordance with local waste management guidelines. Do not throw it in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product. It is important to report any unsafe products or accidents to the appropriate authorities.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Folding Stock Conversion Adapter. Always prioritize safety and compliance with the guidelines provided. Thank you for your attention to these important safety matters.
