

Ckye-Pod Gen 3 - MDT Accessories - Ckye-Pod Gen 3 - Triple Pull - AP Throw Lever - BLK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The MDT CKYE-POD Gen 2 Triple Pull is a high-performance bipod designed for extreme precision and long-range shooting. With an unparalleled height range and rugged build, it's ideal for shooters who demand maximum flexibility and control in challenging environments.

Key Features

Triple-Pull Leg Adjustment Offers an extensive height range, allowing legs to collapse down to approximately 14.5" and extend up to 36" for elevated positions.

NO IMAGE
AVAILABLE

Three Locking Leg Positions Legs lock in three states: stowed, angled for barricade support, and fully extended downward.

Single-Handed Height Adjustment Enables quick and intuitive deployment or retraction with one hand.

Wide Cant Range Up to $\pm 170^\circ$ of cant to maintain a level rifle on uneven terrain, with adjustable tension for precise control.

360° Pan Capability Smooth full-circle panning allows dynamic target engagement, with optional pan locking.

Built-In Barricade Stop Provides extra stability when shooting off barricades or obstacles.

Rugged Footing Equipped with spiked feet for secure grip on various surfaces; compatible with rubber feet if preferred.

Premium Construction Machined from hard-anodized aluminum for strength and low weight.

Independent Tension Controls Separate adjustments for pan and cant allow full customization of movement resistance.

Refined Surface Finish Smooth, deburred surfaces for comfortable handling and reduced wear on equipment.

Safety Instruction Guide for CkyePod Gen 3 MDT Accessories

Introduction

Thank you for choosing the CkyePod Gen 3 MDT Accessories. This guide provides important safety information to ensure the safe use of this product. It is essential to read and understand these instructions before using the bipod to maximize performance and minimize risks.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a bipod for rifles.
- Always inspect the bipod for any signs of damage or wear before each use.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Do not modify the bipod or use it in a manner not specified by the manufacturer.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Height Adjustment:** Always ensure that the legs are securely locked in place before use. Failure to do so may result in instability.
- **Stability:** When shooting off barricades or obstacles, ensure the builtin barricade stop is properly engaged to provide extra stability.
- **Footing:** Use the spiked feet for secure grip on various surfaces. If using rubber feet, ensure they are properly installed.
- **Pan and Cant Control:** Adjust the tension controls carefully to avoid sudden movements that could lead to loss of control.
- **Environmental Conditions:** Be cautious of uneven terrain and adjust the bipod accordingly to maintain a level position.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the bipod from the packaging. Inspect for any damage or missing parts.
2. **Leg Adjustment:**
 - To extend the legs, pull down on the leg until it clicks into place.
 - To collapse the legs, press the locking mechanism and slide the leg upward.
3. **Height Setting:** Adjust the height as needed for your shooting position. Ensure legs are locked in one of the three provided positions: stowed, angled, or fully extended.
4. **Panning and Canting:**
 - To pan, unlock the pan control and move the bipod in a circular motion.
 - Adjust the cant control to maintain a level rifle on uneven surfaces.
5. **Shooting:** Position the bipod on stable ground, engage the barricade stop if necessary, and ensure your rifle is securely mounted.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the bipod is no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the CkypePod Gen 3 MDT Accessories!
