

HTI HOWA MINI-ACTION - HTI MINI-ACTION GRN HEAVY BARREL

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Mini-Action Green Standard Barrel is a compact, lightweight, and highly dependable rifle configuration designed for shooters who demand fast handling, smooth cycling, and consistent performance. Built around HTI's renowned Mini-Action platform, this model offers the perfect balance between mobility and precision, making it ideal for hunting, field use, and practical shooting applications.

- **Mini-Action Platform** Engineered for shorter cartridges, the Mini-Action system reduces bolt travel and delivers exceptionally fast cycling. This creates a quicker follow-up shot capability and a more agile shooting experience overall.
- **Green Synthetic Stock** The rifle features a durable green synthetic stock that resists moisture, impacts, and harsh environments. Its textured surface ensures a secure grip in all weather conditions.
- **Standard Barrel Configuration** Equipped with a standard-profile barrel optimized for reliability and consistent accuracy. The balanced weight allows steady off-hand shooting while keeping the rifle easy to maneuver.
- **Lightweight and Compact** The Mini-Action design contributes to a noticeably lighter setup compared to standard bolt-action rifles. This makes it perfect for long days in the field or for shooters who prioritize mobility.
- **Smooth, Controlled Bolt Operation** Precision machining provides a clean, fluid bolt movement, reducing resistance and enhancing overall shooting comfort.

Safety Instruction Guide for HTI HOWA MINIACTION HTI MINIACTION GRN HEAVY BARREL

Introduction

Thank you for choosing the HTI HOWA MINIACTION rifle. This guide provides essential safety instructions to ensure the safe use of your rifle. It is designed to comply with the EU General Product Safety Regulation (GPSR) and to inform you about potential hazards, safe handling, and proper usage.

General Safety Guidelines

- Ensure the rifle is stored in a safe, secure location away from children and unauthorized users.
- Always treat the rifle as if it is loaded, even when you believe it is not.
- Keep the muzzle pointed in a safe direction at all times.
- Always engage the safety mechanism when the rifle is not in use.
- Use only the recommended ammunition for your rifle.
- Regularly inspect the rifle for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate eye and ear protection when using the rifle.
- **Environment:** Use the rifle in a safe and controlled environment, ensuring there are no bystanders in the line of fire.
- **Loading and Unloading:** Follow the manufacturer's instructions for loading and unloading the rifle. Ensure the rifle is pointed in a safe direction during these processes.
- **Handling:** Avoid placing your finger on the trigger until you are ready to shoot.
- **Shooting Position:** Maintain a stable shooting position to enhance accuracy and control.
- **Weather Conditions:** Be mindful of weather conditions that may affect your shooting experience. Wet or icy conditions can impact grip and stability.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded before installation.
- Follow the manufacturer's instructions for attaching any accessories or components.
- Securely mount the scope or sights, if applicable, ensuring they are aligned properly.

2. Usage:

- Always verify the safety is engaged before handling the rifle.
- Load the rifle only when you are in a safe shooting position.
- Fire the rifle only when you have a clear target and are certain of your shot.
- After shooting, always check the chamber to ensure it is empty before storing the rifle.

Disposal Instructions

- Dispose of the rifle in accordance with local regulations.
- Do not dispose of ammunition or firearm components in regular waste.
- Contact local law enforcement or a licensed firearms dealer for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety of your HTI HOWA MINIACTION rifle, please refer to the manufacturer's contact information provided with your product. Always ensure to seek advice from qualified professionals for maintenance and safetyrelated questions.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your HTI HOWA MINIACTION rifle. Thank you for your attention to these important safety measures.
