

# HOWA SHORT ACTION - SHORT ACTION GRN SYN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Short Action Green Synthetic model is a durable, lightweight, and high-performance rifle stock designed for shooters who demand reliability in all conditions. Built for short-action receivers, this stock offers exceptional handling, consistent accuracy, and rugged field durability — making it a dependable choice for hunting, tactical training, and sport shooting setups.

- Short-Action Compatibility Designed specifically for short-action rifle platforms, ensuring a secure, precise fit and optimal bedding surface for consistent accuracy.
- Green Synthetic Construction Crafted from high-strength synthetic material engineered to withstand impact, temperature changes, and harsh outdoor environments. The non-reflective matte green finish provides a sleek, tactical appearance with reduced visibility in the field.
- Lightweight and Well-Balanced The streamlined design reduces overall rifle weight without sacrificing stability. Its balanced geometry improves target acquisition, off-hand control, and long-distance shooting comfort.
- Ergonomic Grip and Forend The stock geometry supports a natural shooting position and enhances recoil management. The textured grip and forend offer a secure hold even in wet or gloved conditions.
- Weather-Resistant Performance Synthetic construction ensures immunity to warping, swelling, or shrinking — making it ideal for year-round use in varying climates.

# HOGUE HOWA SHORT ACTION GREEN SYNTHETIC RIFLE STOCK SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HOGUE HOWA Short Action Green Synthetic Rifle Stock. This guide provides important safety instructions to ensure the safe and effective use of your rifle stock. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the rifle is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Use appropriate hearing and eye protection when shooting.
- Store your rifle and stock securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect your rifle stock for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and storage.

## Specific Safety Precautions for Use

- Ensure that the rifle stock is compatible with your shortaction rifle before installation.
- Check that all screws and fittings are secure before using the rifle.
- Avoid using the rifle stock in extreme weather conditions that may affect performance, such as heavy rain or extreme heat.
- Be cautious when handling the rifle stock, especially if it has been exposed to moisture, as it may become slippery.
- If you experience any issues with the stock during use, cease operation immediately and inspect for damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the rifle manufacturer.
- Remove the existing stock from your rifle according to the manufacturer's instructions.
- Align the HOGUE HOWA Short Action Green Synthetic Rifle Stock with the rifle's action.
- Secure the stock in place using the screws provided, ensuring a tight fit without overtightening.
- Check that the stock is properly aligned and that there are no gaps between the stock and the rifle.

### 2. Usage:

- Familiarize yourself with the balance and feel of the rifle once the stock is installed.
- Practice proper shooting stance and grip to enhance control and accuracy.
- Regularly clean and maintain the stock to ensure optimal performance and longevity.
- If you encounter any difficulties while shooting, reassess your grip and stance, and make adjustments as necessary.

## **Disposal Instructions**

- Dispose of the rifle stock in accordance with local waste disposal regulations.
- If the stock is damaged beyond use, consider recycling components where possible.
- Do not burn the stock, as it may release harmful substances.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's website or contact their customer service. Always ensure that you have the most current information regarding product safety and usage.

By following these safety instructions, you can enjoy a safe and rewarding experience with your HOGUE HOWA Short Action Green Synthetic Rifle Stock. Thank you for prioritizing safety and responsibility in your shooting activities.
