The Short Action Green Synthetic model is a durable, lightweight, and high-performance rifle stock designed for shooters who demand reliability in all conditions. Built for short-action receivers, this stock offers exceptional handling, consistent accuracy, and rugged field durability — making it a dependable choice for hunting, tactical training, and sport shooting setups.

- **Short-Action Compatibility** Designed specifically for short-action rifle platforms, ensuring a secure, precise fit and optimal bedding surface for consistent accuracy.
- **Green Synthetic Construction** Crafted from high-strength synthetic material engineered to withstand impact, temperature changes, and harsh outdoor environments. The non-reflective matte green finish provides a sleek, tactical appearance with reduced visibility in the field.
- **Lightweight and Well-Balanced** The streamlined design reduces overall rifle weight without sacrificing stability. Its balanced geometry improves target acquisition, off-hand control, and long-distance shooting comfort.
- **Ergonomic Grip and Forend** The stock geometry supports a natural shooting position and enhances recoil management. The textured grip and forend offer a secure hold even in wet or gloved conditions.
- **Weather-Resistant Performance** Synthetic construction ensures immunity to warping, swelling, or shrinking — making it ideal for year-round use in varying climates.

Introduction

Thank you for choosing the HOGUE HOWA SHORT ACTION HB GRN SYN rifle stock. This guide provides essential safety instructions and general guidelines to ensure safe and effective use of your rifle stock. Please read this document carefully to understand the safety precautions, installation instructions, and proper disposal methods.

General Safety Guidelines

- Always treat your rifle as if it is loaded, even if you believe it is not.
- Ensure that the rifle stock is compatible with your rifle before installation.
- Keep all firearms and ammunition out of reach of children and unauthorized persons.
- Always use proper eye and ear protection when shooting.
- Inspect your rifle and stock for any damage or wear before each use.
- Follow local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the rifle stock is securely attached to the rifle before use to prevent accidents.
- Do not modify the stock or rifle in any way that could compromise safety.
- Avoid using the rifle stock in wet or icy conditions unless it is designed for such use.
- Be aware of your surroundings and ensure that your shooting area is safe and free from obstructions.
- Use the rifle stock only for its intended purpose and within the specifications provided by the manufacturer.
- If you experience any malfunctions or irregularities while using the rifle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Rifle Stock:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle by unscrewing the screws or bolts that secure it.
- Align the HOGUE HOWA SHORT ACTION HB GRN SYN stock with the rifle's receiver.
- Secure the stock in place using the provided screws or bolts, ensuring a tight fit.
- Doublecheck that the stock is securely attached before proceeding to use the rifle.

2. Usage Instructions:

- Position yourself in a stable shooting stance with your feet shoulderwidth apart.
- Grip the stock firmly, using the ergonomic grip to enhance control and stability.
- Aim at your target, ensuring a clear line of sight and safe backdrop.
- When ready, engage the trigger smoothly while maintaining a proper shooting position.
- After shooting, always check the chamber to ensure it is clear before handling the rifle further.

Disposal Instructions

- Dispose of the rifle stock in accordance with local regulations regarding plastic and synthetic materials.
- If the stock is damaged or no longer usable, consider recycling it if facilities are available in your area.

- Do not dispose of the stock in regular household waste if it can be recycled.
