

Slingshot - Hand Cannon - Short Handle - GRN

Shooting Accessories

The MDT Hand Cannon takes a familiar childhood classic and redefines it as a true precision instrument. Precision-machined from anodized aluminum and built around a fully modular design, it supports interchangeable grips, sights, and accessories—allowing you to configure the platform exactly to your shooting style and use case.

Whether you're competing, casually plinking, refining your accuracy on targets, or spending time shooting outdoors with friends, the MDT Hand Cannon is engineered for control, consistency, and repeatable performance. Its rigid CNC-machined aluminum body eliminates flex, ensuring every release feels predictable and precise—no guesswork, just aim, anchor, and release.

A rotatable ambidextrous mounting system supports multiple handle configurations, giving you complete freedom over grip angle and ergonomics. Choose from pinch grips, thumb supports, hammer grips, or full palm-swell handles to build anything from a compact, pocket-friendly setup to a fully equipped, sighted platform with AR-style pistol grips.

Designed for shooters who demand precision, adaptability, and performance, the MDT Hand Cannon delivers a customizable experience that evolves with your skill and style.

MDT Slingshot Hand Cannon Safety Instructions

Introduction

Thank you for choosing the MDT Hand Cannon. This product is designed for precision shooting and offers customizable features to enhance your shooting experience. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the MDT Hand Cannon as if it is loaded, even when it is not.
- Ensure that you are in a safe environment before using the product.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using the Hand Cannon.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Do not use the Hand Cannon under the influence of drugs or alcohol.
- Regularly inspect the Hand Cannon for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Only use the MDT Hand Cannon in accordance with the manufacturer's instructions.
- Do not modify the Hand Cannon in any way that could compromise its safety or performance.
- Use only compatible accessories and components as specified by the manufacturer.
- Avoid using the Hand Cannon in adverse weather conditions, such as heavy rain or strong winds, which could affect your control and accuracy.
- If you experience any malfunctions or issues, stop using the product immediately and consult the manufacturer for guidance.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully remove the Hand Cannon from its packaging.
- Inspect all components for any signs of damage or missing parts. Do not use if any parts are damaged.

2. Assembling the Hand Cannon

- Follow the manufacturer's instructions to assemble any interchangeable grips or accessories.
- Ensure that all components are securely attached before use.

3. Adjusting the Grip

- Choose your preferred grip style (pinch grip, thumb support, hammer grip, or full palmswell handle).
- Adjust the grip angle and ergonomics to fit your shooting style.

4. Loading the Hand Cannon

- Follow the manufacturer's guidelines for loading and securing any ammunition or projectiles.
- Ensure that the Hand Cannon is pointed in a safe direction when loading.

5. Shooting

- Stand in a stable shooting position with your feet shoulderwidth apart.

- Aim carefully and ensure that your target is clear.
- Release the projectile only when you are ready and confident in your aim.

6. After Use

- Always unload the Hand Cannon in a safe manner.
- Store the Hand Cannon in a secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the Hand Cannon and any accessories in accordance with local regulations.
- Do not dispose of the Hand Cannon in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries, concerns about the product, or to report unsafe conditions, please refer to the manufacturer's contact details provided with the product packaging or visit the manufacturer's website.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Hand Cannon. Thank you for choosing our product, and happy shooting!
