Introduction

Thank you for choosing the MDT Slingshot Slingshot Ammo Clay 0.375 200 Pack. This product is designed for target shooting and is intended for use with slingshots. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle slingshot ammo with care to prevent accidents.
- Ensure that you use the ammo only for its intended purpose.
- Keep the ammo out of reach of children and vulnerable individuals.
- Inspect the ammo regularly for any signs of damage or wear. Do not use damaged ammo.
- Follow all local laws and regulations regarding the use of slingshots and ammunition.
- Store the ammo in a cool, dry place away from direct sunlight and moisture.

Specific Safety Precautions for Use

- Wear appropriate eye protection when using slingshot ammo to protect against potential projectiles.
- Always aim the slingshot in a safe direction, away from people, animals, and property.
- Do not use slingshot ammo in crowded areas or near bystanders.
- Avoid using the ammo in enclosed spaces where ricochets may occur.
- Do not modify the slingshot or ammo in any way that could compromise safety.
- Ensure that the slingshot is in good working order before use.

Instructions for Installation and Usage

1. Loading the Slingshot:

- Hold the slingshot firmly with one hand.
- Place one piece of clay ammo in the pouch of the slingshot.
- Ensure the ammo is seated securely in the pouch.

2. Aiming:

- Stand in a stable position with your feet shoulderwidth apart.
- Use your nondominant hand to stabilize the slingshot.
- Aim at your target while keeping the slingshot pointed in a safe direction.

3. Firing:

- Pull back the pouch with your dominant hand, ensuring a firm grip.
- Maintain your aim and release the pouch smoothly to launch the ammo.
- Follow through with your aim after releasing the ammo.

4. PostUse:

- Safely collect any used or leftover ammo after your shooting session.
- Store the slingshot and ammo in a secure location.

Disposal Instructions

- Dispose of any damaged or broken ammo in accordance with local waste disposal regulations.
- Do not dispose of slingshot ammo in regular household waste if it is deemed hazardous.
- Check with local authorities for proper disposal methods.
