

REMINGTON 700 W/SAFETY - ELITE HUNTER (Pull Weight adjustable 2-4lb) - ELITE HUNTER REMINGTON 700, RIGHT HAND, BLACK, THIN ****3lb****

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

As any serious shooter knows, the trigger makes a huge difference when you're looking for a precision platform to take into the field on your next hunt. Though other elements of a rifle platform also affect accuracy, swapping out the trigger for an improved unit like the Timney Elite Hunter designed for the Remington 700 can make an incredible difference with little work required. Each Timney Elite Hunter trigger designed for the Remington 700 drops into your factory rifle with zero gunsmithing or fitting required, and you'll instantly see a difference in accuracy. This Timney Elite Hunter features improvements over the original generation, allowing you to choose between thin, curved and straight trigger shoes. The triggers are available in black or nickel-plated finishes, and you can even get them for left- and right-hand fits.

Safety Instruction Guide for REMINGTON 700 W/SAFETY ELITE HUNTER Trigger

Introduction

Thank you for choosing the REMINGTON 700 W/SAFETY ELITE HUNTER trigger. This product is designed to enhance your shooting experience by providing improved performance and accuracy. However, safety is paramount when handling firearms and their components. This guide outlines essential safety instructions to ensure the safe use of your new trigger.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure the safety mechanism is engaged when not in use.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Do not use the trigger if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Do not attempt to modify the trigger beyond the manufacturer's specifications.
- Always check the trigger pull weight after installation to ensure it is set within the 24 lb range.
- Use the trigger only with compatible Remington 700 models as specified by the manufacturer.
- Be cautious of environmental conditions that may affect the trigger's performance (e.g., extreme temperatures, moisture).
- If you experience any unusual resistance or malfunction, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded.
- Remove the existing trigger from the Remington 700 according to the manufacturer's instructions.
- Carefully install the Timney Elite Hunter trigger by following these steps:
 - Align the trigger with the mounting points on the receiver.
 - Secure the trigger using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Verify that the trigger functions properly before use.

2. Adjusting Pull Weight

- Locate the adjustment screw on the trigger assembly.
- Use an appropriate tool to adjust the screw:
 - Turn clockwise to increase pull weight.
 - Turn counterclockwise to decrease pull weight.
- Test the trigger pull weight after adjustments to ensure it is within the desired range of 24 lbs.

3. Usage

- Familiarize yourself with the trigger's feel and operation before using it in the field.
- Always practice safe shooting habits and ensure proper handling of the firearm.
- Regularly inspect the trigger for wear and tear, and replace it if necessary.

Disposal Instructions

When disposing of the Timney Elite Hunter trigger: * Follow local regulations for disposing of firearm components. * Do not dispose of the trigger in regular household waste. * Consider recycling the trigger if possible through a local metal recycling program.

Contact Information for Further Support

For any safety inquiries or support regarding the REMINGTON 700 W/SAFETY ELITE HUNTER trigger, please refer to the manufacturer's customer service resources or website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your new trigger. Always prioritize safety and responsible firearm handling.
