[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

As any serious shooter knows, the trigger makes a huge difference when you're looking for a precision platform to take into the field on your next hunt. Though other elements of a rifle platform also affect accuracy, swapping out the trigger for an improved unit like the Timney Elite Hunter designed for the Remington 700 can make an incredible difference with little work required. Each Timney Elite Hunter trigger designed for the Remington 700 drops into your factory rifle with zero gunsmithing or fitting required, and you'll instantly see a difference in accuracy. This Timney Elite Hunter features improvements over the original generation, allowing you to choose between thin, curved and straight trigger shoes. The triggers are available in black or nickel-plated finishes, and you can even get them for left- and right-hand fits.

Introduction

Thank you for choosing the Timney Elite Hunter trigger designed for the Remington 700. This guide provides essential safety instructions to ensure the safe and effective use of your new trigger. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure safe handling and storage of firearms and accessories.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your firearm and its components for wear or damage.

Specific Safety Precautions for Use

- Only use the Timney Elite Hunter trigger with the Remington 700 model.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Do not attempt to modify the trigger beyond manufacturer specifications.
- Be aware of the pull weight adjustment; ensure it is set according to your preference and safety standards (24 lbs).
- Always verify the functionality of the trigger after installation before using the firearm.
- If you experience any issues with the trigger, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and in a safe condition.
- Gather necessary tools: a flathead screwdriver and a torque wrench (if required).

2. Installation Steps

- Remove the action from the stock of the Remington 700.
- Locate the existing trigger assembly and remove it by unscrewing the mounting screws.
- Carefully detach the old trigger assembly and set it aside.
- Align the new Timney Elite Hunter trigger with the mounting holes and insert the screws.
- Tighten the screws to the manufacturer's recommended torque specifications.

3. Adjustment

- Adjust the pull weight using the designated adjustment screw, ensuring it is set within the range of 24 lbs.
- Test the trigger to ensure it functions correctly and safely.

4. Final Checks

- Reassemble the firearm and verify that all components are secured.
- Conduct a function check to ensure that the trigger operates smoothly and safely.

5. Usage

- When ready to use, follow all general safety guidelines and ensure a safe shooting environment.
- Always keep your finger off the trigger until you are ready to shoot.

Disposal Instructions

- Dispose of any old trigger components in accordance with local regulations.
- Ensure that all parts are disposed of in a manner that does not pose a safety risk to others.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service resources. Always ensure you have the latest information regarding product recalls or safety updates.

Conclusion

The Timney Elite Hunter trigger is designed to enhance your shooting experience with the Remington 700. By following these safety instructions, you can ensure a safe and enjoyable experience. Always prioritize safety and responsible firearm handling.
