[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

As any serious shooter knows, the trigger makes a huge difference when you're looking for a precision platform to take into the field on your next hunt. Though other elements of a rifle platform also affect accuracy, swapping out the trigger for an improved unit like the Timney Elite Hunter designed for the Remington 700 can make an incredible difference with little work required. Each Timney Elite Hunter trigger designed for the Remington 700 drops into your factory rifle with zero gunsmithing or fitting required, and you'll instantly see a difference in accuracy. This Timney Elite Hunter features improvements over the original generation, allowing you to choose between thin, curved and straight trigger shoes. The triggers are available in black or nickel-plated finishes, and you can even get them for left- and right-hand fits.
