As any serious shooter knows, the trigger makes a huge difference when you're looking for a precision platform to take into the field on your next hunt. Though other elements of a rifle platform also affect accuracy, swapping out the trigger for an improved unit like the Timney Elite Hunter designed for the Remington 700 can make an incredible difference with little work required. Each Timney Elite Hunter trigger designed for the Remington 700 drops into your factory rifle with zero gunsmithing or fitting required, and you'll instantly see a difference in accuracy. This Timney Elite Hunter features improvements over the original generation, allowing you to choose between thin, curved and straight trigger shoes. The triggers are available in black or nickel-plated finishes, and you can even get them for left- and right-hand fits.

Safety Instruction Guide for the REMINGTON 700 W/SAFETY ELITE HUNTER Trigger

Introduction

Thank you for choosing the REMINGTON 700 W/SAFETY ELITE HUNTER Trigger. This product is designed to enhance your shooting experience by providing a precision platform for improved accuracy. However, it is essential to use and install this trigger safely to ensure your protection and that of others. This guide provides important safety instructions and guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Ensure that you are familiar with your firearm's operation and safety features before using this trigger.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products and accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the trigger.
- Do not modify the trigger or firearm beyond the manufacturer's specifications.
- Regularly inspect the trigger for signs of wear or damage.
- Only use the trigger with compatible Remington 700 models.
- Do not use the firearm if the trigger feels inconsistent or if it malfunctions.
- Ensure that the trigger pull weight is set within the recommended range of 24 lbs for optimal safety and performance.
- Always follow local laws and regulations regarding firearm use and modifications.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the action from the stock according to the manufacturer's instructions.
- Locate the existing trigger assembly and remove it carefully.
- Install the Timney Elite Hunter trigger by aligning it with the factory mounting points.
- Ensure that the trigger is securely fastened and that all components are properly seated.
- Reassemble the firearm, ensuring that all parts are correctly positioned.

2. Usage Guidelines:

- Before using the firearm, perform a function check to ensure that the trigger operates correctly.
- Adjust the pull weight according to your preference within the recommended range.
- Practice safe handling at all times, keeping your finger off the trigger until ready to shoot.
- Store your firearm securely when not in use, ensuring the trigger is not accessible to unauthorized users.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- If the trigger is damaged or no longer in use, contact a local authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service directly. Ensure that you have the product information available for reference.

By following these guidelines, you can ensure safe and effective use of your REMINGTON 700 W/SAFETY ELITE HUNTER Trigger. Thank you for prioritizing safety in your shooting activities.
